Forbes Thomson and Mrs. Thomson of Guelph in Knox church on October 8. The occasion was the fall Thankoffering meeting of the Afternoon Auxiliary W.M.S. of Knox church and guests were present from Georgetown, Brampton, Eden Mills and other neighboring congregations. Miss Isabel Anderson presided and was assisted by Mrs. Miller and Mrs. McIntyre with Mrs. A. H. McKenzie and Miss B. Rossell rendering a duet Come Holy Spirit. The Thomsons were on exchange with a minister and his family from Cherry Valley Presbyterian church in Belfast, Northern Ireland, who spent two months during this past summer with the congregation of St. Andrews in Guelph. Those present had an opportunity to renew friendships with Mr. and Mrs. Thomson during the fellowship period which followed.

A.R.C. workshop

Plan auction sale

This past summer the North Halton Association for the Mentally Retarded approved an addition to the now-overcrowded A.R.C. Industries in Hornby, where at present 15 adults are working hard at filling contracts supplied various firms from this area, as well as the rewebbing of lawn chairs.

Just recently a new venture was started, handcrafted brooches. These latest items should be well accepted by the public.

Need space
These are just some of the activities directed by Mrs. W. Isham assisted by Mrs. P. Treahy and Mr. Davies.

However, with all these activities, more space is an absolute must. This is where the campaign committee was put to work. This committee came with a proposal, to hold an auction sale of items manufactured or distributed in the North Halton area.

Good response
A letter was sent to all industrial, commercial and professional outlets for donations of what they manufacture or distribute.

With the campaign just getting under way, the response from local businesses already shows their pleasure in being able to help by making this campaign a real success.

New approach
The auction is planned for Oct. 31 in the Milton fairgrounds.

The Flowers of Hope were a means of raising funds in the past. However a new approach was found feasible as there are many very worthwhile associations calling on the doors of the consumer for a donation. The ladies' auxiliaries from Acton, Georgetown and Milton are doing the footwork for this campaign.

Charges laid

On Saturday an Oshawa man was charged by Acton O.P.P. with being drunk in a public place. On Sunday, two minors, passengers in a vehicle, were charged with consuming under age.

Extinguish chimney fire

Acton Firefighters were summoned to the home of Iain Williams, 107 Elizabeth Drive, to extinguish a fire in a clogged-up chimney. Monday afternoon about 3.30.

Flames from an inside fireplace shot up the chimney and ignited soot. A large amount of smoke was created, but no damage resulted.
