HEADPIN HILITES

Congratulations are in order to the team of Cora Walters, Joyce Adams, Sandra McEraw, Joan Why and Lenora McKinnon. Howling at Port Credit in the Zone rolloff in the Colonel Sanders Kentucky Fried Chicken 5-Pin Championships they came second with a team roll 3248 a scant 45 pins behind the first place Guelph team. As the top two teams out of the nine teams competing, both the Guelph team and the Acton team advance to the Provincial rolloffs. My good fortune follow their efforts. The other Acton entry of Annette St. Pierre, Gloria Galbraith, Shirley Thompson, Elaine Meehan and Andy Blanchard made a strong bid to qualify their team roll of 3210 nailing down the fourth spot. Regarding this Colonel Sanders tournament, the Kentucky Fried Chicken is confined in afternoon ladies leagues only. That is why the two Acton entries came from the Thursday Toppers' league which hosts every Thursday afternoon. In the first ten game block of the Carlings' Ontario 5-Pin Championships bowled at Georgetown last Sunday, Cora Pasmore of Bramalea with a pinfall of 2607 is the current leader. The Acton bowlers, Bill Shannon 2288, Andre Conway 2214, Earle Middleton 2204 and Tom Browning 2177 are trailing at present behind the 10th and last qualifying roll of 2111. With 20 games to go however, the Acton boys could make up the slack — in the qualifying round of "Heat the Champ". Stan Swan with 783 and Terry Churchill with 775 won the right to challenge champion Bruce Shullis. In the champion roll, Stan Swan with 728 defeated the champ who rolled 709. Terry Churchill bid for the title with a roll of 644 — that wins it up once again my friendlies, so adios, amigos and goodnite, Concord City.

ACTON PHARMACY

The rewarding art of Self-Defence.

Face the facts; you're surrounded by hazards as you work. Too many men and women get hurt, just because they don't look after themselves on the job. The secret is to work defensively. Sharpen your self-defence — it pays off.

Talk safety. The next man may save your life. So work as a team.

Use your ears. Self-defence means staying alert, in every way.

Protect your hands. Easy to injure, difficult to live without.

Watch it. It's the little things that cause big accidents.

The reward. You name it. It's your life — enjoy it.

Keep on your toes. Falls hurt more people than any other job accident.

Be a champion of Self-Defence.
