CARDS OF THANKS

We wish to thank all who extended sympathy to us since the passing of Hildagard. — Alfred R. Long and family. a26-852

The wife and children of the late Arthur Gunther wish to express their sincere thanks to the friends and neighbors for their kindnesses in their time of bereavement. With special thanks to Rev. McKenzie, Dr. Vander Bent and nurses of the second floor of the Guelph General Hospital and the Rumley-Shoemaker Funeral Home, and a very special thanks for all the donations gratefully received. Mrs. Gunther and children. a26-796

Mere words can not express our gratitude to those who extended sympathy to us in the sudden passing of our beloved Harry. The beautiful floral pieces, the donations to Heart Foundation, to Ballinacat United Church as well as cards and the envelope containing extra donations, all seemed to help us in our almost unbearable sorrow and shock. The Rumley-Shoemaker staff, Rev. Kelvin Johnston, Dr. Garrett and the friends who were pallbearers and flower carriers; also the ladies of the U.C.W., all please accept our sincere thanks. The Shortill Family, Viola and family, Richard and Rita, Lillian, Dick, Ruth and family. a26-853

We wish to extend our sincere gratitude and appreciation to our relatives, friends and neighbors for all their kindness to us in the loss of a dear father and grandfather, Andrew Laing, who passed away December 10, 1970. Our thanks to the nurses of the Intensive Care Unit and the doctors of Guelph General Hospital, Rumley-Shoemaker Funeral Home, pallbearers, Rev. Sinclair and all those who sent beautiful floral tributes. A special thank you to the Ladies of Eden Mills Presbyterian Church and Acton Curling Club, who so graciously attended to the lunch and all those who helped in any way. Your kindness will always be remembered. a26-804 The Laing Family.

GOOD NEWS

The most personal and important matter in your life is the understanding of the "glad tidings" of God's Coming Kingdom — the Restoration of the Kingdom and Throne of David, as proclaimed by Jesus the Messiah. This is the ONLY good news available to perishing men and women, and it alone gives meaning and purpose to life. Eccl. 2: 11; John 8: 32.

CHRISTMAS HYMN

The first Christmas hymns were born in Italy among the early Franciscan monks.

Management course given

The University of Waterloo is starting another program in Supervision Management, beginning late in January. The last course was well-attended by industrial employees from this area with 39 graduating from Level 1 to Level II out of 43 students, according to the university.

The purpose of this program is to prepare the participant for responsibilities as a manager. It is directed to line supervisors and operating managers in business, industry and government, who are concerned with "improving" productivity and reducing costs of operation. These foremen, supervisors and department heads provide the channel of communication through which policy changes are directed to the work force.

Mature students at Sheridan

Halton-Peel — Do you want to further your education at Sheridan College, but lack Grade 12 standing? The Sheridan College Entrance Program (SCEP) is designed to prepare mature students who lack a formal Grade 12 education to enter full-time programs at Sheridan College.

The 25-week program starts January 19 in Oakville and runs every Tuesday and Thursday from 7.15 to 9.45 and costs \$75. Sheridan College teachers will instruct the program, which is being presented through the Continuing Education Division and the Technology Division at Sheridan College.

Successful completion of the program qualifies students to register in general and technology programs at the college.

Students will be evaluated on their progress during this period with emphasis on ability to do further studies in a college environment.

"Success of the program is measured in terms of the student's day to day participation and also his ability to handle a full-time program," says Burr Bonnell, assistant director of Sheridan's Continuing Education Division.

Other students are considered for admission to the college if they have completed Grade 12, with a 60 per cent average or are 19 years or older.
