NOTES FROM ACTON HIGH

By Mary Ann Freiler
The Christmas holidays were started with a big bang last Tuesday. The long awaited assembly finally arrived. Members of the "Anti-grinch Society" were pleased with the over-whelming response of the student body when talent was called for. Students from all grades participated. Co-hosts for the event were teacher, John Cristello and Janis Hillman, a grade 11 student. The assembly was informal, and a warning went out Monday, to the classes to bring cushions for your own comfort.

Musical ability
Few of us realized the amount of musical ability found in A.D.H.S. Two bands have been formed under the leadership of Henry Wissent and Jim Hachey. A few grade 13 students sang popular folk songs to the accompaniment of Stephen Yu and Wendy Hannah did musical numbers. Singing her own composition Jackie Lee followed. In past years "Mark and Mike," Mark Hurst and Mike Cooper have performed. Mark returned for the day and the two sang. Through student approval they were asked to do another number which was the notorious dirty chicken song.

Arrest pair over theft from school

Two Kitchener men have been arrested by Milton OPP and charged with possession of stolen property, following police investigations into a break-in at Speyside Public School in Esqueping Township. Thieves looted the school of office and electronic equipment early in December and the total value of the stolen property was estimated at \$1,000. The suspects are also being questioned in connection with robberies at schools through a wide area of south-central Ontario. Milton's Martin St. School was broken into two weeks ago and a small quantity of cash plus several pieces of electronic equipment were stolen.

Several skits
Several students performed skits. Mr. May acted as Santa Claus with a grade 10 class. Henry Wissent and George McPhail added to the program. The Creative Drama class performed a series of skits, everything from a hero-villain tragedy to a bedroom scene. Margaret Slaven danced a sailor dance and was dressed appropriately for the number. Betty Klaver demonstrated her talent with the baton. Cindy and Jackie Lee performed a modern dance.

Conservatives meet Jan. 6

Halton Progressive Conservatives will meet in Oakville next Wednesday evening, Jan. 6 to select 10 voting delegates and 10 alternates for the provincial leadership convention in mid-February. The Halton East provincial and Halton federal riding group plans to meet at Trafalgar Memorial Hall on Highway 5 at 8 p.m. to name the delegates. This riding actually has 13 votes as MPP Jim Snow, former federal candidate Peter K. McWilliams of Oakville and Ontario P.C. Association vice-president W. S. Thomson of Oakville are among the voting delegates not named by the riding association. MPP Snow says he has thrown his support behind Minister of Education William David of Brampton, one of the candidates for the post of party leader. "I feel Bill Davis has the greatest experience and I feel he would make the best party leader and prime minister," says the MPP. "There are several other possible candidates I could very well support" but Davis heads the list, he added. Snow said his personal decision should not influence the riding's voting delegates.

Send education rebates to aid Ontario farmers

Milkmen began delivery of \$20 million worth of cheques to Ontario farmers last week. The cheques result from the Oct. 6, announcement by the Ontario government of a Farm Tax Reduction Program, designed to reduce the burden of municipal and education taxes on farm property. Each farmer will receive a cheque equal to 25 per cent of his net property taxes. The government announcement of the rebate came after a summer-long campaign by the Ontario Federation of Agriculture for the removal of education taxes from property. The rebate is approximately equal to 50 per cent of the education taxes paid by farmers. Hundreds of farmers across Ontario withheld the education portion of their property taxes during the campaign, to protest what they called the unjust and inequitable taxation of farm property. Said Ontario Federation of Agriculture president at the time of the government announcement, "This is a triumph for farmers and their organizations. There is no doubt that the government would not have granted farmers this rebate if they hadn't prodded the government into action." Following the rebate offer, OFA called off its tax-withholding activities for a "wait-and-see" period. The farmers' organization promises to resume tax withholding in 1971 if the government fails to announce a plan to remove all education taxes from all property.

THE 1970 FARM TAX REDUCTION PROGRAM

The 1970 Farm Tax Reduction Program is the most recent phase in the Government of Ontario's long-term plan to reform the system of local taxation in this province. This program will help farm property owners to pay their municipal and education taxes. Farm property owners will receive \$20,000,000 in special assistance from the Government of Ontario. This amounts to 25 percent of the net municipal taxes on eligible farm property. To be eligible, the property owner must live in Ontario. Also, if the farm property is less than 11 acres, it must have yielded \$2,000 or more in gross income during the year. Cheques and information leaflets are being mailed out by the Department of Municipal Affairs to every eligible farm owner.
