

Rockwood Bowling

Bowlers this month are looking at their last year's bowling slate and are hoping to chalk up higher scores and change the face of the league showings. Captains of low standing teams are hoping to see some fast results and others are trying to polish up their scores in an effort to show their own individual abilities.

Last January 5 saw the Nortons' Bluebirds heading up their match against the Four Corners' team with a winning score of 4 to 3. Fred Nightingale was in top shape for the Bluebirds with his 324, 268, 273 and 805 triple while teammates Irene LaVoie rolled a 680 triple score and Mary Stahlbaum a 639. Ralph Wright was the high scorer for the Four Corners' team with a 241, 234 and 212 giving him a triple of 687. His team mates Nett Wright with a 232 single and Ann Parkinson's 178, 212, 211, and 602 triple failed to outcrop their opponents.

Shocked out
Straton's team shocked out their opposition and copped 7 points straight, Sam Nyholt was the top man for the winning team with his 757 triple score and Dunc Kingsbury grabbed onto a 690. Bob Lilley for the Carney's team bounced up a 227 single and Doug Carney a 213 single.

The Whitewashers were lucky when Martina Mulder's 227 single, Larry Mulder's 205 single and Brian Robertson's 220 single helped their team take 5 points while their defeatees only nabbed 2.

Amazing pro
The Clippers edged out the Neighbours when they ran their score to 5 points to 2 and the amazing pro for the victorious team, Lloyd Hindley made a 236 single straight when he skillfully bowled with outstanding precision.

Ted Justin rolled up a 683 triple and Doug Chandler a 668 as the Neighbours top man Harvey Bayne, made a 230, 211, 197, total triple of 633. Bill Garner and Ellen Garner both showed their single game abilities with their 228 scores.

Pokes points
The Ospringe Slow Pokes chalked up 5 points from the Elmer's Alley Cats and, for the winning team Ross Ferguson made two single scores of 181 and 182. Orma Ferguson a 168, Ward Bruce a 166 single and Harold Theaker a 133. Elmer Allan on the Alley Cat team showed a 197 single, Gwen McDougall a 185 while Arnold Duffield's 212 single did not go far towards their team win.

The Pacers outfaced and outbowed the Goyer Bros. with a 7 point straight game and, as the losers licked their wounds Doug Cross reviewed his score of 320, 265, 228 and his 811 triple, Mike Martin his 208, 289 single scores and Brian Slipp his 210 single.

Winnie Hilts was high man for the Goyer boys with a 198 and 188 single, John Gooyers a 190 single, and Adrian Gooyers a 183.

Into position
As it stands the team standings are continually joggling into position in preparation for the final stretch. The Clippers are out in front with a 7 point lead over the 2nd place Pacers. The Stratton team is No. 3 with 61 pts., the Neighbours No. 4 along with the Norton's Bluebirds both sharing the 59 point score. No. 5 place shows the Guelphites with 56; No. 6 the Whitewashers with 53; 7th spot has the Four Corner's with 52 points; 8th holds Carney's at 46; 9th place Elmer's Alley Cats have 44; Goyer Bros. stand 10th with 31 points; and, way, way down, 56 points from top place are the Ospringe Slow Pokes with 21 points.

With only one trophy to be won per bowler, contestants will have to decide which prize they will vie for. As it stands the following leagues are eligible for the various events:

Inaugural address

Education deficit, diversion high on reeve's '71 agenda

In his inaugural address at the Eramosa Township Council meeting at the municipal building last January 4, presiding Reeve Warren Parkinson said that he thought the foremost consideration of the 1971 council should be to endeavour to arrange an interview with the Minister of Education regarding the 1968 education deficit. "This deficit" said Reeve Parkinson, "would mean an increase of 19 mills or more to the ratepayers".

He also brought to Council's attention the 4th line diversion project and the fact that, over the past years relationships have been good with the various committees. The reeve further said that he hoped expenditures for 1971 would be kept at a reasonable level.

Declarations made
The duly constituted council of Eramosa Township for the years 1971 and 1972, after members had subscribed to the statutory declarations of office, consisted

of reeve, Warren Parkinson; deputy-reeve, Duncan McPhedran; councillors, William Adsett, Kenneth Fair, and Richard Strong. Each of the members expressed their pleasure at their membership on council and Duncan McPhedran, deputy-reeve, agreed that the mill rate should be held as much as possible but not to the detriment of the municipality in the way of services.

Matters of concern
Councillor Adsett said that he felt that Council should continue their association with MODA and Richard Strong expressed his views regarding such matters as planning, education and regional government, referring to them as matters of concern for council this year, and said that he felt there should be more involvement of the ratepayers regarding recreation and planning and that council should show their initiative in order to sustain the local autonomy and so

assist senior levels of government. The minutes of the last regular and special meetings of 1970 were read and adopted on a motion by Messrs. McPhedran and Adsett after which a discussion was followed by a motion by Messrs. McPhedran and Fair that the meeting adjourn at 2 p.m.

Motion passed
The following motions were carried when Council reconvened at 2:00 p.m.: THAT consideration be given regarding the problems of dog control and that the clerk should draw up a new dog licensing by-law with amended provisions. George Martin, the dog controller, was present at the meeting and had presented to council the difficulties he was having with dog control.

appointees to the Eramosa recreation Committee. THAT the Reeve, Road Superintendent, and the Treasurer make application for the remainder of the 1970 Road Subsidy from the Department of Highways. Interim levy THAT a by-law to provide for an interim levy for the year 1971 pursuant to Dec. 548 (6) of the Municipal Act be read a first, and second time.

Appointment made THAT a by-law to re-appoint Elmer McCannell to the Committee of Adjustment be read a third time, and passed and numbered 3-1971. THAT the clerk contact member John Root, MPP, and request him to set up a meeting with the Minister of Education or his representative, to discuss the 1968 School deficits that affect the township of Eramosa. The meeting was adjourned with the next meeting date set for Monday, February 1, at 1:00 p.m. or at the call of the reeve.

Village won't ban snowmobiles

Satisfied with the efforts of the local Snowmobile Club to police their own members, the village trustees, at their inaugural meeting, decided to adopt the policy of the previous board and not make a by-law prohibiting the operation of the vehicles in the village.

At the December meeting, a representation of the Rockwood Snowmobile Club attended and requested the past trustee board to accept their proposal to control their own members. Since that time, noticeable respect to the wishes of the board has received favorable reaction and the new trustees agreed that they could see no reason to retract the decision set by the preceding council.

Chairman named
The three man committee, composed of Bert Smith, Stan Harris, and Don Hilts with Charles O'Brien acting in the capacity of hydro representative and secretary, met in the town hall last Wednesday evening. After the hydro business conducted under the jurisdiction of chairman O'Brien the trustees elected their committee chairman and it was decided that Don Hilts would act in that capacity.

Request made
Several issues were discussed regarding village policies and one of the recommendations decided was that letters would be sent to several residents in the south end of the village regarding the necessity of removing equipment and debris from public view. No action will be taken until required time allowance has elapsed after the owners of such properties have been duly notified.

Comin's and Goin's

The congregation and friends of the Rockwood Presbyterian Church will be welcomed to call at the new home of Rev. and Mrs. Don Sinclair and their family next Saturday afternoon and Sunday afternoon and evening, January 16 and 17, 130 Dublin Street, Guelph.

Non posted signs for the Rockwood Ball Park skating rink will read "Open skating on Tuesday, to Friday, Saturday and Sundays nights from 7.00 p.m. until 9.30 p.m." The rink will be available for hockey during the intervening periods and the lights should entice all outdoor skating athletes to get in some "Free skating" on their ole home town rink. Tennis anyone?

Hey folks! It's an open house at the Country Mart, the centre for the John Deere Sales and Service with Alfred and Trudy Neuman hosting for everyone to visit and enjoy their films and slides, next Saturday, January 16, between the hours of 10.00 to 6.00 p.m. Visit the mart located on No. 7 Highway near Rockwood and enjoy the refreshments and free draws.

Mrs. Elizabeth Gardner of Guelph was a guest at the home of Mrs. W. J. Guild of Mary Street, Rockwood, last Sunday

and the two friends had an enjoyable visit.

Whoops, an error!!! Listed as one of the five couples who had attended ten consecutive New Year's Eve Dances at the Town Hall were the names of Len and Edna McDougall. This was an error due to faulty reporting and, instead of the McDougalls, Muriel and Doug Buttenham were the two reliable swingers who had attended and it was they who received a prize. Sorry about that, folks, but congratulations on your award.
