At long last
Signs were erected last week on highways 25 - indicating road under construction - in preparation for clearing. At long last, work is to be proceeded with on this busy piece of road.

Friends and relatives will be pleased to hear Mr. and Mrs. Archie Kerr talked on the phone with their daughter Betty Ann last week after the big earthquake and she and her husband and family are safe and well. It must be a trying time for those who live in that area in dread of such terrible times.

great one for a mixed program of badminton, basketball, volleyball, or whatever the teens came up with and they would be given a free hand to organize under the supervision of a reliable adult. The kids were marvellous and, although they decided that they would prefer mixed teams they didn't want the evening program rigidly planned ahead of time but would regulate their own schedule. So remember, you high schoolers, it's fun time at the gymnasium every Wednesday night, from 7:00 to 10:00 p.m. - bring your sneakers and make like an athlete, meantime the little kids will have their chance at a gymnastic night hopefully sometime soon.

The friends and neighbours will be pleased to know that Mr. Roy Harding of R.R. 1, Rockwood, is recovering from the injuries incurred from his recent accident with the power take off. Abrasions and severe flesh injuries to his leg were treated at the Guelph General Hospital but he is now at home getting special attention from his family. Loads of luck, Roy, we hope you're better soon.

Don't forget, all you badminton players, Thursdays are the nights from 7:00 p.m. until 10:00 for all senior athletes to get their regular weekly workouts in the Rockwood School gymnasium. Eramosa's a big township and everyone is welcome.

Saddened and deeply moved, Rockwood residents learned, last week, of the death of one of its oldest and best loved citizens. Everyone knew George (Pete) Saunders for his bakery, oldsters remember him as an avid athlete who loved baseball, and, although not active in the community life for the past few years, Mr. George Saunders of Main Street will be well remembered by his friends of Rockwood and out of town residents, and they extend their condolences to his family on their recent bereavement.

Bruises and strained muscles were extra tokens accrued by the Eramosa Junior Farmers last Saturday, February 13, when they competed and successfully won the championship broomball trophy at the annual Broomball Tournament held at the Drayton Arena.

Several clubs participated and the event drew spectators from many areas of Ontario. With mixed teams of two girls and four boys, plus one goalie per team, seven Junior Farmer's Clubs were represented from Minto, Maryborough, Fergus, Lower Wellington, Bellwood, Mount Forest, and Eramosa, and despite blustery, cold weather, all the teams were in fine fettle.

Heavy snow forced some members of the local Rockwood and Eramosa group to stop overnight in Drayton however, Yvonne Noble, Carol Thomson, and Carolyn Law, didn't mind being snowbound and managed to stay off the blizzard by accepting the friendly accommodation of other 4H club members.

Congratulations ring out in loud acclaim for the Eramosa team which came through for this district after three hard games of competition.
A notice sent home for the teenagers brought out a number of weeny teens last Wednesday night to a meeting originally designed for the older teenagers attending high school who are interested in a recreational night at the Rockwood Public School gymnasium. With a yackety yack, mostly from the adults present, it was decided that Wednesday nights would be a
