ZENITH "CIRCLE OF SOUND"

Walk around Zenith's revolutionary "Circle of Sound" home stereo sound system . . . sit to the right or left of it . . . even turn your back on it . . . you'll still be completely surrounded by beautifully balanced, natural stereo sound . . . just as though you were front row center at a live performance. Zenith Circle of Sound brings you stereo music the way it was meant to be heard . . . not just directly in front of the instrument, but from wall to wall, corner to corner and side to side. It's the stereo sound system you can enjoy anywhere in the room without changing position of the speaker units.

A thrilling dimension in stereo that surrounds you with full, rich natural sound no matter where you sit in the room
