

Scout — Guide Week

FEBRUARY 21— 27

PARTNERS IN ACTION

Partners in Action is the theme of Scout - Guide Week 1971. From February 21 to 28 Scouts and Guides will be inviting friends to join them in remembering the man who founded these two great organizations - Lord Baden Powell of Gilwell. "B. - P." as he is known to Guides and Scouts, was an excellent example of the type of person it takes to be a leader of youth. He cared enough about young people to develop programs for them. We hope that you will care enough to volunteer to become a partner in the action programs of Scouting and Guiding.
