Meeting Thursday

# Drug problem film subject

This Thursday evening, March 4, the Ospringe Home and School Association are presenting a different outlook on the drug problem.

Members of the executive Mrs. G. Boyes, J. B. Macpherson and Dr. P. Lautenslager have spent a great deal of time searching for the most informative and interesting material on the use and abuse of drugs. They apparently have come up with something out of the ordinary. The first of two films is entitled "The Little Pusher" produced by Jack Webb of "Dragnet" fame.

**Where it hurts**  
The second film to be shown is entitled "Us". This was produced in Toronto by Canadians and hits the drug question where it hurts. After seeing this film you are guaranteed to have different thoughts about addiction.

The films were obtained by two of the Ospringe staff, G. Berry and Mr. Macpherson when they attended the recent drug conference sponsored by the Wellington County Board of Education in Scarborough.

**Adults only**  
Because of the impact these films have, the executive felt they should be shown at a general

meeting while the films were still in their possession. There is such great demand for them that it would be months before they could be obtained again.

This is a very informal evening strictly for adults. With the increasing use of drugs locally the organizers feel local people should be alarmed with this problem. Community involvement is where the cure begins.

# Speaker warns alcohol danger

By Mrs. R. McLean  
Mr. Brad Howarth, representing Alcohol and Drug Concerns, was the speaker on Sunday. He is on the electronic department staff of Conestoga College, Preston.

There are 100,000 alcoholics in Ontario. Alcohol is used more than any other drug; it is responsible for more deaths on the highways.

Teenagers are natural conformists. Five in 15 have a problem with alcohol. Five year old whisky means whisky meant for 5 year olds.

Maturity is not a destination, it is a road. You are forever alone, but so is everyone else. It is making the most of yourself.

Doc Alpha encourages young people to abstain from drugs and alcohol.

**Items of Interest**

Mrs. Briggs and Mrs. White were bereaved by the sudden death of their sister-in-law Mrs. Morrison of Faversham.
