This past week has seen the start of another draw for the high school league. There will be standings published from time to time as the schedule progresses.

Did you see the finals of the brier Saturday? Personally I missed the showing, but from reports it was a good game. Northern Ontario could have wrapped up the whole thing Friday night, but the pressure was too great and they lost. This necessitated a play-off Saturday. Duguid's rink from Manitoba proved to have had more experience and scoring ability. They will represent Canada at the world play-offs in France later in the month.

ever ran into a bunch of curlers who enjoyed themselves more or created more good fun for the spectators. More of this kind of curling will soon have a number of non-members joining the club to be in on the fun.

Watching games last Saturday, the ice seems to have improved quite a lot from some weeks back. But then both teams of a game have to play on the same ice so it can't be any fairer for one team than another.

Acton District High Redmen CWOSSA "B" hockey champs

First time ever
A 6-0 shutout win over Shelburne, Wednesday afternoon, brought Acton District High School its first-ever CWOSSA "B" hockey championship. ADHS Redmen copped the CWOSSA crown by winning a round robin series with Shelburne and Arthur, the defending champs.

Redmen lost only one of their four games in the series. Arthur finished with two wins, a tie and a loss and Shelburne mustered only a tie in four games.

Dale Fisher and Pete Morrison sparked Redmen to the big win Wednesday, with two goals and two assists apiece. Gary Turkoz and Steve Garrett netted the other Acton goals. Redmen assists went to Gary Turkoz, Mike Cooper, Gary Fisher and goalie Craig Weldon. Acton scored twice in each period. Each team served five minor penalties.

"The play was much closer than the score indicated. Craig (Weldon) was outstanding in goal," an elated coach Bill Coats reported. The win represented a milestone in Mr. Coats' coaching career. He started coaching the school hockey team in 1960. Redmen were finalists last year. Team captain Bob Andrews and star defenceman Randy Weldon missed the final game because of sickness, but the rest of the team gave a 100 per cent effort to pick up the slack.

In checking scores this past week it was found that a number of vice skips have failed to post the scores of games. It is the duty of all vice skips to see game scores are posted, even if you have lost.

The schedules are running their course and there are not too many games left before play-offs. Better be posting those wins if you want to be in the play-offs.

The new club pins have arrived and they are beauties. They are available at the club and every member will want to pin one on bonnet or sweater.

This weekend I took the time to convert the scoring in the various draws to conform with the local club rules. This is two points for a win and one point for a tie. So if your scores are a lot lower than previously that's the reason.

Saturday was the Ma and Pa bonspiel at the club. Don't think I
