Ads pull, sell, rent

Classified advertisements in the Free Press exert a pull far beyond their size.

This newspaper receives testimonials each week re the response from a small advertisement placed in the classifieds. For instance, an ad last week for a man with farm experience received a good response for the advertiser.

A lady advertised an apartment for rent and this week she reported it was rented as a result of the few lines in the Free Press.

Call 853-2010 now with your classified. You will be amazed at the results.

Advertising supports and sustains a free press in a free society for the information and benefit of free people.
