

## Stewart makes it two in a row

By Vivian Shaw

Ed Stewart raced to his second straight victory in the six cylinder-diamond combination feature at Acton Speedway Sunday.

Stewart started in scratch position and took over the lead from Lawrence Majury. Murray Wallace, who started just in front of Ed, worked his way through the pack to take over second place on the seventh lap. Keith Bender took third place.

In the first six cylinder race, Bob Hogan lost a wheel, when he went over Larry Majury's wheel. Hogan had to retire for the rest of the day. Lawrence Majury came out on top in this race with Larry Majury second and George Wrigglesworth third.

### Chargers whip Geronimos 7-1

Chargers whipped Geronimos twice by the same 7-1 score, in Acton Minor Soccer Association atom house league play last week.

Scores four Tuesday night, Scott Malcolm scored four goals, Todd McIntyre netted two and Ricky Lott scored one for the winners, while Steve Lumbers replied for Geronimos.

Four more Malcolm led Chargers to victory with four more goals in Thursday night's match. McIntyre scored two and Steve Van Der Eyken connected for one. Gary Lumbers scored the only goal for the Geronimos. Geronimos were short of players for both games.

The law says that you must not apply your brakes on a curve. But that isn't a man-made law. It's the natural law of centrifugal force which works to skid your car outwards, whenever you take a corner. Braking on a curve greatly increases the danger of losing control. "Brake on the straight", says the Ontario Safety League.

Deputy-chief Van Fleet said he is not yet able to estimate the amount of damage that resulted from the fire. Flames from the barn fire could be seen easily from Acton.

**Rented farm**  
 It is believed Mr. Lapointe had been renting the farm from four Toronto men. Mr. Foster estimated he had been there about a year and a half. According to Mr. Foster, another couple Mr. and Mrs. Robert Jackson had lived there as well for some time, but had left about four months ago. Mr. Lapointe had worked for a period of time at the Fucelle-Royale plant in Toronto, Mr. Foster said.

He described the dead man as a friendly, easy going character, who joked frequently.

The OPP located the man's brother, Joseph Edward Lapointe in Toronto Sunday.

## Second no-hitter for Sue Thomson

Susan Thomson hurled her second no-hitter, as Moffat girls, 12 and under, shutout Rockwood 5-0 last Wednesday night.

Margaret Iutzi hit a three bagger to bring in two of the runs. The other runs were scored by Paula Kitching, Laurie Pierce and Donna McClure. Laurie Pierce played her best game of the year as catcher.

Moffat girls, 19 and under, put on quite a defensive show to beat

Elora 7-5. Pitcher Sharon McCormick deserves a lot of credit for her fine pitching and defensive play. The other girls backed her up beautifully, but it was Sharon's game all the way. The Elora pitchers also did a fine job in holding Moffat girls to one and two hits each.

### NO TEMPTATION

An exasperated salesman abandoned his car in a no-parking zone, and left this note: "I've circled this block 20 times. I have an appointment and must keep it or lose my job. Forgive us our trespasses." Upon returning, he found this note: "I've circled this block 20 years. If I don't give you a ticket I'll lose my job. Lead us not into temptation."

### CHECK FIRES

Your child had a fire drill in school recently. How long has it been since you had a fire drill in your home? Children are more apt to escape fire injury in a school fire than in a fire at home. School fire drills are the reason. Children know what to do as soon as the alarm sounds. Their response becomes virtually automatic after a few drills. They know exactly where to go, how to go, and how to get out of the school building.
