Bearded Ram redeemed

Somehow in all the happy confusion that followed Acton Rams 11-10 championship lacrosse victory over Brockville, one important member of the team Alan McKenzie got lost.

Last week's Free Press had hardly hit the streets, when Ram fans began calling to ask what happened to their "bearded hero" in the team picture that appeared on the front page.

"The beard must be redeemed," one caller demanded. "Or the wrath of the razor will descend upon you!"

McKenzie played his usual strong defensive game and his play was certainly as big a factor in the win as that of those who scored goals.

Sorry Alan, may we escape the wrath of the razor this time.
