

MOIRA PARKER AND Andrew Dyc, who were married in St. Alban's Church August 14, are living in the Winston Apts. Churchill Rd. S.—(Dorothy Taylor, Guelph)

## Moira Parker, Andrew Dyc wed in St. Alban's church Aug. 14

Pink and white glads decorated St. Alban's church, Acton, for the August 14 marriage of Moira Lavinia Parker and Andrew George Dyc. The Rev. Harry Dawson performed the ceremony as the couple exchanged rings. Mrs. F. Oakes played the organ and Jessie Coles sang.

The bride is the daughter of Mr. and Mrs. E. A. Parker, R. R. 1, Campbellville, and the groom is the son of Mr. and Mrs. Michael Dyc, 336 Peel St., Acton.

A reception followed in the Music Centre. The couple spent their honeymoon at Georgian Bay and are living in the Winston Apartments, Churchill Road.

**Carries glads**  
For her wedding, the bride wore a long empire waisted gown of silk organza over taffeta trimmed with Alencon lace. The semi-full skirt flowed into a chapel train. A Spanish style headdress of Alencon lace trimmed with small crystals and pearls held her multi-tiered silk illusion veil. She carried a Colonial style bouquet of pink gladiolas.

Mr. Parker gave his daughter in marriage.

**Attendants**  
Her attendants were her sister Denise Sargent as matron of honor, friends Debbie MacDougall, Eden Mills and Karen Billings, Guelph, as bridesmaids, and Kimmy Swin, Acton and Pauline Grimshaw, Alliston, as flower girls. Their formal gowns in twinkle peau had white bodices, small button opening collars, long puffy sleeves and bubble skirts. The senior attendants had mauve and pink skirts with matching embroidery and carried cascades of pink, mauve and aqua carnations. The flower girls had aqua skirts and carried baskets of pink, aqua and mauve carnations. All wore individual matching flowers in their hair. Their silver heart-shaped pendants were the gift of the bride.

Bob Dyc, brother of the groom, was best man and the ushers were Mike Sargent and Roger MacDougall.

Young brothers of the bride, Kevin and Tracy Parker, were ring bearers. The men in the party wore white shirts under marquis tuxedos.

**Reception**  
Many attended the reception and dinner at the Music Centre, where the wedding party received guests from Acton, Guelph, Kitchener, Dundas, Ancaster, Alliston, Oakville, Erin, Kingston, Whitby, Thunder Bay, Toronto, Port Perry, Saskatchewan, Rochester, Detroit, Burlington and London.

The bride's mother wore a dress of mauve chiffon over taffeta, the long chiffon sleeves trimmed in matching sequins and pearls, with matching vest coat of bubbled chiffon over taffeta. With pink accessories and matching flowers in her hair, she wore a pink sweetheart rose corsage.

## Cake decorating shown Dublin W.I.

The members of Dublin Women's Institute met at the home of Mrs. William J. McIntyre, Mill Street East, on Thursday evening with a good attendance of ladies. Mrs. C. Armstrong, 1st vice-president, was in the chair, and presided over the opening exercises in the absence of Mrs. H. Blyth, the president.

As this was citizenship meeting, the roll call was responded to by naming a noted citizen of Halton County, all of which were very interesting. Delegates were named to attend the Guelph Area Convention on October 26-7 in Dublin United Church, Guelph. Mrs. Duncan Moffat will be the voting delegate, and she will confirm the resolution as submitted. Mrs. W. Lasby will be alternate representative. An article will be donated for sale at the convention.

Mrs. E. Norton reported on the

success of catering to a wedding lunch on the previous Saturday evening, and for the support and help the ladies gave the committee.

**Won award**  
All were pleased to hear that Miss Cathy Lasby has won the Ethel Chapman Scholarship, and is now attending University of Guelph in the Arts Course. Her mother is a member of the Branch.

Money-making programs were discussed but left in abeyance at the present time. Articles for display in the Women's Institute exhibit at the three neighboring Fall Fairs were handed in, and members were named for the arranging of these exhibits.

**New feature**  
A new feature was introduced this year when the Halton District Women's Institute will have a booth at the Acton, Milton and Georgetown Fall Fairs.

Articles featuring Institute work will be displayed, with members of neighboring Institutes attending in the booths. This was all explained by Mrs. M. Nellis.

A very interesting paper on Citizenship was read by Mrs. E. Norton. It had been prepared by Mrs. A. Still who was unavoidably absent. This talk showed the relationship of citizenship to the consumer, and outlined many ways whereby the consumer may help to be a good citizen. Numerous examples were given to watch for fraudulent schemes, safety measures and in purchasing merchandise.

A good citizen is a wise consumer, and the woman is the chief purchasing agent in any home.

**Cake decorations**  
The ladies were interested and intrigued with a demonstration by Mrs. M. Nellis of icing a cake. With her artistic skill, she was able to make many beautiful decorations, which gave the cake a really professional look.

An enjoyable social hour after the program was enjoyed when a delectable lunch was served by the social committee, composed of Mrs. M. McCullough, Mrs. W. Britton and Mrs. R. McDougall, assisted by the hostess, Mrs. McIntyre.

Courtesies were expressed by Mrs. F. McCarron.

## Bomb scare said "practical joke"

A bomb scare is being considered by Acton police to be a practical joke, but a team of demolition experts was called to town anyway.

On Monday night, while councillor Jack Greer was attending a council committee meeting in the town office, the continued honking of a car horn took the mayor Les Doby outside. There he found a 22-year-old Acton man in the Greer car. The man declared there was a bomb in the car and displayed the tangle of wires he had produced

with the car's parts.

**Experts**  
OPP Cons. Nick Farion took the man in custody for questioning. Sgt. Byers and Cons. Hewitt of the demolition squad at Burlington OPP checked out the car and found no bomb.

Charges are pending against the man who that day had appeared in court in Milton on a public drunk charge and was fined.

Acton police assure the public there's no real bomb scare.

## Busy week for OPP

Four charges of impaired driving, six liquor act violations, a common assault, a disturbance and an assault and obstruction of a police officer were all recorded as investigated by police during the past week. Most charges were laid against local men, but the disturbance at 3.10 a.m. early Saturday morning was caused by a woman.

Friday a hit and run accident was reported to police. William Johnson's car was struck in the IGA lot.

Saturday a car driven by Barry Mondoux of Burlington struck a DHO sign and tree on Main St. just before 3 a.m. The driver received minor cuts and bruises to knee, forehead and elbow.

## Interviews continuing

The advertisement in last week's Free Press brought a few more applicants for the senior citizens and geared to income homes.

Mrs. Warren of Ontario Housing had completed her interviews here of everyone on previous lists, and has just the latest applicants to interview now.

She will subsequently make her report to O.H.C. and those accepted will be notified.

At four-way stops it is courteous and safer to let the other driver proceed first.

## Class fills up gals slim down

Registration for the slim and trim class at the Y.M.C.A. is coming along very well now, according to Y.M.C.A. program co-ordinator Mary Debenham. Mrs. Thelma Cooper has a fine program laid out, she says.

Classes will be held two evenings a week, Mondays and Wednesdays, in the M.Z. Bennett school auditorium. Any more women wishing to join the class may register Wednesday (tonight) or Friday night at the Y.

Before the wedding, showers for the bride were held by an aunt Mrs. Clifford Kenward July 21; the mother of the groom Mrs. M. Dyc on July 24 and the sister of the bride Mrs. M. Sargent on August 4. A stag for the groom on August 4 was arranged by friends Roger MacDougall, Ralph Nellis and Bob Dyc.

## Make film on industry

Kitchener television filmed a news feature at Beardmore and Co. last Friday. The film will appear on a File 13 segment as part of a series on primary industry, within a month.
