GM INFANT SAFETY

CARRIER

The Infant Safety Carrier offers new riding safety for children up to about one year old. Developed by GM, the carrier's design greatly reduces the chance of injury in collisions or sudden stops. The upright L-shaped carrier supports the back of the baby's head and upper torso. At the same time, the carrier's protective contours by adjustable straps and the vehicle lap belt that secures both the carrier and baby to the vehicle seat.

OPEN HOUSE SPECIAL \$10.95

Call Al Clark our Acton Sales Rep. and he will be pleased to discuss a new or used deal with you. Just dial 853-0286 evenings or weekends.
