

ACTON FIREFIGHTERS were called out at 4 a.m. Saturday morning to extinguish a blaze which gutted a workshop at the rear of the Dominion Hotel. Two trucks were dispatched to the scene and firefighters donned Scott air packs to fight flames. Constable Bruce MacArthur turned in the alarm when he noticed smoke pouring from the building. John Krapek douses the blaze in this early morning photo while deputy chief Bern Van Fleet assists. Many of the firefighters had just turned in after a night of dancing at the brigade's annual dance when the alarm sounded.—(Staff Photo)

Red Cross seeks Acton volunteer

Since home nursing service from the Georgetown branch of the Red Cross is available in Acton, the branch would like very much to have more representatives from the town involved in its organization. So far, Mrs. Marie Hargrave has joined the board on the homemakers services committee.

Extends plea

Mrs. Connie Niewhof, in charge of publicity for the Georgetown branch, has called the Free Press with her plea. The branch would very much like to have an Acton person on their campaign committee. This year, since services have been extended, Acton will have to be canvassed

for funds in Red Cross month, next March. Arrangements must be made — by contacting council? service groups? somehow. And Mrs. Niewhof hopes someone will call to offer to help them with the canvass ahead. An individual or a representative of a group would be equally welcome.

Few meetings

There are few meetings, and the rest of the committee would come to Acton, she points out. The homemakers program has been quite well used in the North Halton area.

The Georgetown Red Cross branch is very active. Milton has a branch but it is not as active. Mrs. Niewhof, at 877-1332 or 877-2526 is hoping for a call from Acton.

\$386 bill for window

The Willowdale man who crashed through the window of an Acton restaurant was fined \$100 in court this week. He was also ordered to make restitution which brings the total up to \$286 for the window to \$386.

In other Acton cases, a \$150 fine was levied for careless driving, \$150 fine and six month suspension for impaired driving, and \$50 fine and two year suspension for impaired driving.

—SATURDAY'S SNOW was the first of the season to remain on the ground. It was followed by flurries on Sunday.

Free Press briefs

—THE GOLDEN Age Club needs another crokinole board.

—PLANS FOR Christmas meetings, dances and dinners are being made.

—FAIR BOARD dinner tonight at Limehouse Presbyterian Church.

—WHAT SHOULD we know about? Please let the Free Press know the news.

—COFFEE AND doughnuts are available in the cafeteria for people taking night school classes.

—GEORGETOWN GIRLS Pipe Band is making plans to celebrate its 30th year.

—THREE LIQUOR seizures have been made by Acton police since last Wednesday.

—ERIN IS planning a Santa Claus parade the first Saturday in December.

—THE WEEKEND frost will put an end to the out-of-season growth of raspberries, violets and other flowers.

—SCHOOL HOLIDAY tomorrow for Remembrance Day. Post office and banks are closed too.

—IN HIS final report to Guelph Chamber of Commerce, outgoing president Prof. W. T. Ewen again plumped for a GO train for Guelph.

—EIGHT MILES of new pipeline in Guelph and Puslinch townships is being proposed by Union Gas. A hearing was held a decision reserved. There were several objections from citizens whose land would be affected.

Halton resolutions approved

All but one of five resolutions from Halton County Council were approved at the Association of Counties and Regions of Ontario conference in Point Edward recently.

The sessions were well attended and nearly 500 sat down to a dinner to hear keynote speaker Donald King of Stevenson and Kellogg consultants.

Eight councillors and one staff member from Halton attended. They included Warden Dr. F. G. Oakes of Acton, Reeve Ron Harris and Deputy Reeve Percy Barr of Milton, Reeve Jim Swanborough of Burlington, Reeve Allan Masson of Oakville, Deputy Reeve Art Splight of Georgetown, Deputy Reeve Russell Miller of Esquesing, Deputy Reeve Don McMillan of Nassagaweya and clerk-administrator Garfield Brown.

Hydro, council, ratepayers to debate hydro line route

Although it has not yet been confirmed, it is anticipated a meeting will be held with Nassagaweya Council, Ontario Hydro and some ratepayers of the township to discuss a route for a new hydro line through the township in Brookville Nov. 16.

Hydro officials are considering two routes, one that they suggested themselves and the second is one of a number of alternative routes suggested by Nassagaweya Planning Board.

Several alternatives

When the line was first proposed about two years ago council's first reaction was they did not want it in the township. However planning board suggested several routes which

they felt would be better than the route suggested by hydro officials.

At the last meeting of Nassagaweya Council members learned the Ontario Government has agreed the route must pass through the township. They also learned hydro officials will consider one route suggested by

the planning board as well as the one they suggested.

Council refused to meet privately with hydro officials, but asked that a meeting be arranged with the ratepayers concerned. At press time this meeting had not yet been confirmed.

Boys find stolen band instruments

The three treasured band instruments which had been stolen from the music centre were recovered by two boys, and returned to their places. The old instruments were used as decoration in the music centre. They were taken during a break-in when a back window was smashed. A drum head was also broken by the persons who reached up to lift the instruments off the wall.

On October 30 Brian and Michael Ashley found the instruments across the road from the music centre and returned them.

The police were notified, and

George Elliott promptly got some brass and silver polish and went to work on them.

Dr. Elliott doubts they were lying outside for a month since they weren't in bad condition. He wonders if the culprits brought them back to where they could be found.

A thorough search in the area had been made after the loss was discovered by police and band members.

One of the instruments had been played by the late bandmaster Charlie Mason and one by the late Dr. W. G. C. Kenney.

Principal receives B.A. degree

Bruce Macpherson of R.R. 3, Acton, was among the 400 receiving degrees at the autumn convocation of Waterloo-Lutheran University held at the Kitchener Memorial auditorium on Sunday, November 7.

Attending the convocation and dinner following in Kitchener were his wife Sherrill, Mr. and Mrs. J. D. Macpherson of Milton; Mr. and Mrs. William Anderson of Mississauga, Miss Lorna Macpherson of Willowdale and Mr. and Mrs. Harry Murray, and Mr. and Mrs. Russell Murray of Acton.

Mr. Macpherson is principal of Erin public school and was formerly principal of Ospringe public school.

Voters may be busy!

It's possible Acton voters may have as many as three plebiscites in front of them in addition to the usual slate of candidates for municipal office, when they go to the polls in December, 1972.

Mayor Les Doby said last night (Tuesday) council should begin thinking about a liquor plebiscite for next December and Councillor Bill Coats assured his colleagues he wasn't kidding when he suggested a plebiscite on fluoridation might come up in the future.

The mayor told council of a pleasant visit he made to a new liquor outlet in the village of Elora, while on official business there.

"You'd never believe what a small village like Elora has become because of this place," he said. "The village's really going to go somewhere with this entertainment attraction," he

predicted.

According to the mayor, Ferguson is holding a liquor plebiscite this December, even though it does not coincide with regular municipal elections, which are held every two years. He said Ferguson had received special permission to use enumerations lists, drawn up prior to the recent provincial election.

Later in the evening, council approved the holding of a plebiscite on the municipal franchise extension by a narrow 5-4 vote.

It is estimated that one in 50 Canadians is or will be a diabetic. And every two hours one person in this country becomes a diabetic.
