(Continued from Page One)

"I'm not saying anything personal against Alteo, but I feel ment to do the job yourself. If council agrees to sell this land J. B. Frank, phone 853-2040, 47 they'd be doing the taxpayers of Frederick St. S., Acton. 16a-tf the town a great disservice," Marks said. "We're looking at approximately 12 mills we're

leaving on the table." Marks suggested council put the land back on the for sale market and see what they could get for it. He reminded council Alteo could possibly turn around and put it on the market

Councillor Jack Greer anid he agreed with Marks to a point, but pointed out council husn't been able to get \$3,500 an acre for land in the industrial basin. He doubted council would be able to get a higher price than they

Not prime "That's not prime land. It's a

down the drain. I think that's 17,(20,204) ! ridiculous," he added. Marks insisted it could be

> considered prime land compared to what is available in town. "The fact we had five offers to purchase within one week indicates it has some value." he

Councillor Bill Coats said he wood bush, near Highway 25 felt the prospective purchaser realized from the beginning the land was within the boundaries of Acton and had a reasonable chance of being zoned residential. He said the purchaser has plans to build low Must sell, owner transferred. cost housing, which is something

Councillor Eurl Masales

Acton needs.

ingreed.

"It would bother me what the man would do with this property." Masales also wondered if council couldn't in some way hold developers to a

fixed selling price for houses. Mayor speaks "It's the principle of the thing in my own personal view,'

Mayor Les Duby stated. "We're

as much in default as the

prospective buyer." The mayor

said he agreed with Councillor

Costs that council's prime

concern should be to stop inflation on low cost housing in Councillor Norm Elliott felt it

would be "dirty pool" to try to reown the matter. "To say now that we've got a Cadillac we'll ask for twice the

irvatey," he said: "We now have a cadillac for nale, because normeone took it back into the plant and 1t." overtisuled

naintained. He also auguested the Couts-Indry line cred brusting print was

"He'll get the price the market will tear lie's a trizinessmen wid we straid be, tra," he said.

Introduces amendment From to the reading of the tivation on approval of the land tale, Marks introduced an properationers asking that if Alteo decades to resell the land the town he given first option at the original quoted price. The termendenera was defeated, us only Councillors Marks, Massles

and Elliott supported it. Marks then presented a verbal meation that the original motion he tabled until a future meeting. Once again only Marks, Masales and Elliott voted in the affirmative and the motion was

When the motion on accepting the sale of the land in principle at the price of \$104,000 came up it passed, with only Marks and Masales opposing it.
