STRIKES at Youth Bowling

By Bill Gentles

Bantam 1st Division. Starting off the Christmas season of bowling, the Kangaroos gave the Crabs a present by pouncing on them for both games and totals. The Rabbits only nibbled off one game, as the Teddy Bears made ready to hibernate by taking one game and totals to fatten up on. In the battle of the depths we saw the Octopus snake all the points away from their huge counterparts, the Whales.

Second Division. Bantam 2nd Division. Trying to ride Sea-Horses is a lot harder than the Dogs thought, as they could only hold on for one game, leaving the Archies to go for the Sea-Horses. The Cats just could not keep up with the Snails as they found out by losing all three points. Following the example of the Snails, the Penguins snowballed the Donkeys in both games.

Bowling the best over their averages to win the pep for the Cats were Egan Robinson, David Dunn, Renate Voskamp, and Wendy Tius—Bantam "Top Ten" for this week are Steve Blanchard 220 (189), David Dunn 214 (183), Bert Post 302 (170), Allan Edmondson 297 (178), Peter Neilsen 266 (142), Wendy Tius 281 (144), Kevin Bousfield 265 (157), Bill Sheppard 262 (138), Robbie Bousfield 252 (128), Bobbie Felker 241 (129).

Junior Division. The Raiders weren't hitting hard enough as the Hot Dogs put them in a pickle by taking two games and totals away from them. When the Archies won the first game they sang a happy tune until the Dodos took the last two games and totals, then the Archies came a-trotting in the festive season. The Turks and Boros were in a friendly mood as they split the points at two apiece.

Junior "Top Tenners" for this week are Gary Pickles 593 (335), Susan Thompson 537 (221), Delphin Roach 533 (220), Danny Thompson 522 (205), Jennifer Kraper 518 (199), Brian Larsen 517 (212), Theresa McGilloyway 516 (211), Ricky Van Fleet 504 (206), Maria Pataky 482 (224), Eddie Coulter 470 (189).

An honorable mention this week goes to Gary Pickles, who bowled a really nice game of 335. Gary a Junior Division bowler. Congratulations, Gary!

Senior Division. The Knights did battle with the Spiffires this week and came up victors in all three of the games. Following the example of the Knights, the Idiots unsaddled the Have-Nots in all three games. The headpins were left alone by their namesakes as the Ding-A-Lings took two games and

Noticed while checking the score cards this weekend a number of scores have not been marked down. It is the responsibility of vice skips to see scores of games are recorded.

There are just four more games to play in this draw. The draw ends the week of January 17. A few teams have yet to get on the score board, but there is still time to make a respectable showing in the standings.

There is a list of spares available on the recording stand. If you need a spare, get in touch with those whose names appear, you will likely find a replacement player for your team listed. Also players who have a free evening should list their name and get in an extra game.

See where the club officials have decided to dispose of the extra, unmatched stones left over from the curling in the arena. These stones would make an extraordinary gift for those who have everything. Surprise her with a pair of curling stones for mantle.

Most every Sunday afternoon there are games arranged between teams. A lot more use of the ice can be made, so if you want to arrange a game, now is the time to do so.

Saturday evening a number of teams from the Erin rink were present. They played Acton teams and it is reported that the Acton teams were ahead on points when the games finished.

Saturday is scheduled as the President's Spiel. Invitations have gone out to teams from various clubs. This should be a goodspiel.

Any team playing bonspiels at the surrounding clubs? If you are taking part, please let the writer know, so that the results can be included in the report from the club. This must reach me before 6 p.m. Sunday, to be included in the report for that week. The home phone number is 853-0713 and during working hours, the number is 853-2010. These little news items will be appreciated. And the club members like to hear about them, too.

The New Year's Eve party has now been opened to members and their guests. The club members had their chance to sign up. So now it has been opened to others.

The challenge team headed by Ken Marchment finally met defeat on Sunday. The team headed by Lorne Doberhein did what a number of other teams have failed to do.

There is a bonspiel scheduled for Boxing Day, December 27. This a club affair.

Midgets regain winning form

After losing four straight games by a total margin of only four goals, Acton C.P.A.W. midgets got back on the winning track with a 3-0 shutout win over Fergus here Thursday night.

Midgets now have a record of 3-4-1 in Waterloo-Wellington league play. They play Elora for the first time here tomorrow (Thursday) night.

Acton scored once in each period in what coach Jim James described as "one of our best efforts this year". Rick Bonnette played an outstanding game in goal posting the shutout.

Wednesday night in Orangeville, Acton fell behind 3-0 and went down to a 4-2 defeat. Charlie McTae and Tim McIntyre scored for the locals. Terry Holmes earned an assist.

Did you hear about the Scotman who went around snuffing the air, because he heard there was a nip in it.
