**ALL ABOUT SANTA**  
The legend of Santa Claus, his reindeer and his chimney climbing habits has ancient origins. St. Nicholas, a kindly bishop in Asia Minor during the A.D. 300's was adopted as the patron saint of children and the spirit of Christmas by the people of Holland. His name in Dutch was Sinter Niklaas, which later became Santa Claus.

As the Star shone, so may its light bring peace, joy.

**Ability Fund drive coming**

The Ability Fund (March of Dimes) again is to have a campaign in Acton. Co-chairman of a 1972 drive in January will be Mrs. J. Pargater, 140 Elmore Drive, Acton, and Mrs. G. McKeown, 170 Churchill Road, North, Acton. Both Mrs. Pargater and Mrs. McKeown served as Captains in the 1969 and 1970 drives chaired by the late

Mrs. Stanley Gripps. The fund raised will help finance the program of the Rehabilitation Foundation for the Disabled. Established in the beginning to meet the needs of adult polio victims, the Foundation's role now is to help all disabled adults in Ontario to find their place in a meaningful manner in the world of today.

Hi! To all our friends and Supporters, We wish a Joyful Christmas and a Bright and Prosperous New Year.

**Milton man wins quilt**

Monty Allen, 111 Bronte St., Milton was the winner of a hand-made "churn dash" quilt in a draw held by the Friends of Halton Museum group Monday. The draw was made during the annual Christmas party of the Halton Museum Board.

Mrs. Howard Bradley of Hornby, mother of Friends of Museum vice-president Mrs. Irenen Saunders, made and donated the beautiful quilt.

"Churn tickets" Friends of the Museum president Reeve Ron Harris of

Milton supervised the draw and Museum Board chairman Walter Reeves pulled out the winning ticket. Assisting was museum guide Hilary Conway, who "churned" the tickets in an old fashioned butter churn that was used for the draw.

The draw was held to help the Friends with their current project, rebuilding of a pioneer log cabin on the museum property. Next year the Friends group plans to build a terrace at the museum property in Kelso Conservation Area.
