Mailing 22.2 million booklets is a big job.

Tax reform legislation has been passed by Parliament and is now law.

What does tax reform mean to you? How will it affect you?

To answer these questions, the Department is conducting a massive national mailing program. Booklets are now being printed and mailed to all taxpayers as quickly as they come off the press.

The complete mailing will be finished in about three weeks.

All taxpayers will receive at least two booklets

"Highlights for Individuals" and "Valuation Day". These should provide answers to most of your questions.

Some taxpayers will receive additional information, according to their specific needs.

Read your booklets. Afterwards, if you have questions, ask us. We'll be glad to help.

You will find that your booklets will make it easier to file your income tax return in 1973, because they will help you to prepare now.
