

NATIONAL SCOUT & GUIDE WEEK

FEBRUARY 20th to 27th

PARTNERS IN ACTION

Partners in Action is the theme of Scout-Guide Week 1972. From February 20 to 27 Scouts and Guides will be inviting friends to join them in remembering the man who founded these two great organizations—Lord Baden Powell of Gilwell. "B.P." as he is known to Guides and Scouts, was an excellent example of the type of person it takes to be a leader of youth. He cared enough about young people to develop programs for them. We hope that you will care enough to volunteer to become a partner in the action programs of Scouting and Guiding.

AIMS OF SCOUTING & GUIDING

Scouting and Guiding aids in the building of character, helping boys and girls to develop into responsible citizens of their country. Scouting and Guiding does not compete with either the church, home or school. It recognizes that these institutions are the major influences to the building of good character in youth, and that Scout and Guide training is supplementary and complementary to them.

Respect for others, pride in country, faith in God... For a Boy Scout and a Girl Guide these beliefs grow and are strengthened, daily.

The Guide Promise

I promise, on my honour, to do my best;
To do my duty to God, the Queen and my country,
To help other people at all times,
To obey the Guide law.

The Scout Promise

I promise to do my best,
To love and serve God
My Queen, my Country and my fellow men,
And to live by the Scout law.
