It did not take long for the Ma and Pa bonspiel to have a full quota of names on the board. It is to be held on March 11. It always is a fun day. The men pay a small fee while the ladies supply the supper. Of course, a lot of players come in costume, and this helps the fun day along. It is a mixed affair and you just play the one game for the day.

Have you ever tried writing a column, watching curling on two boob tube channels and also ten pin bowling. It is not easy, I can assure you. So if this letter is a bit disjointed, you will know the reasons why.

Another interesting weekend coming up is the Hospitality Bonspiel. It is another mixed affair. Curling starts Friday evening with one game. Saturday two games will be played and then supper and a dance. On Sunday one game will be played, after breakfast has been served at the club. A real estate firm is sponsoring the weekend. This style follows the layout of a northern Ontario bonspiel, that used to be held a few years ago. The first 16 teams entered will be given the green light to play.

Hershey wins bantam game

Hershey whipped Pittsburgh 6-1 in the final game of the Legion house league bantam schedule Monday night.

Last week when there was no bonspiel scheduled for Saturday, the Credit Union had the use of the club house for a dance. Another evening at the end of March, has the club house rented out for a party.
