

Barbers begin ball practices

Pete's Barber Shop begin workouts for the intercounty football league season at the park tomorrow (Thursday) night at 7.

Playing coach Fred Buchanan reports all positions on the team are up for grabs and everybody is welcome to try out. Buchanan expects to hold workouts every Tuesday and Thursday night, until barbers open their schedule in Belwood, May 30.

Barbers may have to go without southpaw pitcher Blake Hind, who has apparently decided to join Rockwood Seniors, but Eddie Dunn, a hurler with experience in the classy Beaches' league in Toronto may be recruited to fill the vacancy. Buchanan also reports that Don Aublin of Badenoch will not be able to join the team, because of work commitments.

Most of last year's squad is expected to be out for tomorrow

night's initial workout along with newcomers Bruce Thomason of Guelph and Larry Weatherall of Georgetown. Thomason is a former Acton Tanager netminder.

"If we're able to get enough good pitchers, we might enter the OASA playoffs," Buchanan told the Free Press.

In their first season of intercounty play, Pete's finished sixth in the eight team league and lost to Hespeler in the league quarter-finals.

Expect all Rams signed

Acton Ram coach Bruce Sears expects to have most of his players signed by Sunday, eight days before the defending O.L.A. Junior "C" champs open their schedule here against Etobicoke, Monday, May 22.

Rams have been working out

HIGHLIGHT OF FRIDAY'S Charter Night for the Rockwood District Lions Club was the draw for a colored television set. The draw, won by Wally Horn of College Avenue, Guelph, netted the local Lions over \$1,000, a terrific beginning for future projects. Golf and steak for AIHL'ers

Acton Industrial Hockey League officials have planned a golf tournament and steak fry for the Acton Meadows club, Thursday, June 9. Tee offs will take place between 4 and 6 p.m. Entry fee of \$2.50 per player includes golf and the steak fry.

League champions Lakeview Centre will be honored, along with the league's MVP and high scorer.

Need female help

Female trainers are still needed to help with the newly formed Acton girls' lacrosse house league.

"We've been able to get some male coaching help, but we don't want them getting involved in dressing room duties," organizer Jim James told the Free Press with a smile.

Thursday night's practice attracted 28 girls and James reports two house league teams will be formed. Any other girls interested are still welcome to attend the next workout at the community centre, tomorrow (Thursday) night at 6.30.

Girls should bring a lacrosse stick, running shoes and hockey gloves and a helmet, if possible.

Bob Turkosz and George McPhail, members of last year's Ram junior championship team have been engaged as coaches. Steve Goy and Gary McEachern will serve as managers.

The two team league will operate under the sponsorship of the Acton Rotary Club minor lacrosse committee.

"The girls are really working hard," James reports. "They seem to be very interested in the game."

Steve Van Fleet javelin winner

A lengthy heave of 166 feet, six inches earned Steve Van Fleet of Acton High School first place in the junior javelin event at the Blue and Gold Invitational track and field meet at Port Credit Secondary School Saturday.

Van Fleet's toss was three feet, three inches longer than that of the senior event winner Bob Graham of Hamilton Hill Park.

Roger McEachern and David Tomlinson of the Redmen track squad also turned in respectable performances in the meet, which attracted some of the province's largest schools.

McEachern placed fifth in the 100 metre final and Tomlinson finished fifth in the 400 metre race. There were over 40 entrants running in several heats in the 100 metre event.

The three athletes along with other Acton High aspirants will be aiming for berths in the OFSSAA championships in June, when they compete in the Halton County and Halton-Peel finals later this month.
