

Minor Soccer

By Bill Gentles
 Acton Rover mosquitoes travelled to Bronte to start the Halton-Peel league last Tuesday and a good start it was. The Acton lads led 6-0 at halftime and finished up 10-1 winners against the Bronte "B" team.
 Jeff Shields scored five times for Acton. Single goals went to Steve Lumbers, Kevin Davis, Wade Vickery, Anthony Quinn and Scott Malcolm.
 +++
 Acton Rover squirts played host to Oakville last Tuesday and came up with a 2-1 win in a hard fought game. Oakville scored first, but Rob Renshaw tied the score before halftime. Acton controlled play in the second half, but could only score one more goal. Gary Lumbers was the marksman.
 +++
 Rover pee-wees travelled to

North Chinguacousy Thursday night and were really unlucky to lose 3-1 in a pee-wee "B" game. Acton had three good scoring opportunities, but could capitalize on only one. Nathan Fields scored the goal.
 +++
 Rover mosquitoes edged a Georgetown team 3-2 in a friendly match Sunday. Jeff Shields scored his second goal of the game on a penalty kick for the winning goal two minutes from full time. Steve Lumbers scored the other goal.

Establish rental fees increase ice rates

Hard pressed to implement budget proposals, because of yearly cutbacks by town council, Acton Parks and Recreation Committee has decided to establish rates for arena rental and increase ice rental rates, in order to obtain additional revenue.
 The new rates were approved unanimously at the committee's regular meeting Thursday night and will become effective June 1. Five events, June 10, June 18, September 3, July 23 and Labor Day weekend, which have already been booked, will be excluded.
 In future, ice skating and roller skating spectators will also be charged 25 cents. The charge was approved in a close 3-2 vote.

Councillor Orval Chapman and committee members Diane Spielvogel and Gil Malcolm voting in the affirmative and members Ian McGillivray and Barry Insoe in the negative. Councillor Peter Marks was absent from the meeting and chairman Hugh Patterson casts a vote only in the case of a tie.
New fees
 Fee for arena rental from all out of town organizations and for dances, staged by local organizations will be \$150. Local events other than dances will command a fee of \$75. A charge of \$250 has been set for rental of facilities for a three day weekend.

Ice rental fees for local figure skating and minor hockey organizations will take an across the board jump of \$1. New hourly rate for figure skating, Legion minor hockey and novice, pee-wee and bantam O.M.H.A. teams is \$3.50. Midget and juvenile rate will be \$12.
 Hourly rate for local industrial hockey has been increased from \$15 to \$17, while the rate for all out of town ice rental has jumped from \$20 to \$23.
 Councillor Chapman said the committee expects to take in an additional \$1500 a year in revenue. He pointed out the new rates are still considerably below figures in Georgetown and Milton.
 Explaining his opposition to the charge for spectators, McGillivray said he couldn't see it, if a large number of parents are coming along with their children so that they can help them tie their skates up.
Double taxation
 "It's sort of a double taxation on them," he charged.
 Arena manager Harold Townsley thought most of the parents accompanying their children skate anyway.
 Chapman reminded the committee that in some municipalities spectators are charged no matter what the event is.
 Chairman Patterson said the spectator charge in Georgetown is 60 cents.

Boxla bush league starts

Industrial league lacrosse will begin at the community centre Tuesday, May 30 at 9.30 p.m.
 Interested players who have not yet registered may do so at that time. All players should bring full equipment for Tuesday night.

Will return tombstones

Two tombstones which turned up in an industrial plant parking lot in Georgetown nearly two weeks ago, are believed to have been taken from a pioneer cemetery in the area. Police urge anyone knowing the proper location of the stones to notify them immediately.
 One stone was inscribed "Joseph Cunningham, died Nov. 17, 1856 at the age of 22 years and six months", while the second was in memory of three-year-old Henry E. Kleg who died in 1852, the son of George and Eliza Kleg.

"Slips that pass in the night," in last week's edition of this great family journal, Larry Knight's Sea Horsea were captioned as winning the Y.B.C. Junior championship. Should have been tagged as the Bantam Championship. Probably would have gone unnoticed but seven late Bantams along with seven upright Juniors, the Hot Dogs, who won the Junior championship, called us to tell us of the goof. Not to mention what coaches Knight and Perkins had to say. The top brass of the Free Press blame me, I blame them and there the matter rests except to apologize to another season of bowling is over, our thanks to all league executives who did their best to make their leagues run smooth and have everyone enjoy themselves. Onwards to Y.B.C. Supervisor Sylvie Magas and her staff who willingly gave up their Saturdays to teach the youngsters the basics of bowling along with good sportsmanship and fellowship—congratulations to all league and playoff champions. Congratulations to Susan Thomson who carried the Acton Y.B.C. banner to the Provincial Finals. Congratulations to the Y.B.C. bowlers who made the "Four Steps to Stardom" and made the best showing to date for Acton Lanes—my thanks to the Acton Lanes staff who did their usual terrific job of making my job a little easier—and thanks to editor Hartley Cole, sports editor Denis Gibbons and pic snapper Jim Jennings of the Free Press who put up with me all season—thanks to Bill Gentles who turned in a super job as Y.B.C. press secretary—and that, my friends, winds it up for this season, so adios, amigos, have a good, safe summer and goodbye Concord City.

BIG FOUR
 May 19: Well it's the Hot Shots who are the Big Four playoff champs and they made it like champs. After last week's three game set the playoff standing was Hot Shots 2832, Eagles 2830 and Wildcats 2641. In the opening blastoff in the final three games, Wildcats took over with a 908 for a total pinfall of 3609. This game was headed up by Doll Van Arragon 243 and Larry Douglas 223. Hot Shots dropped back into the second slot when their game of 835 gave them a total of 3537. Eagles flew in with an 854 game to tally a 3504 total. Hot Shots' efforts in this one were set up by "Big Jake" Van Der Kooy 200 and Ches Lewandowski 211. Eagles' high fliers were Floyd Hammond 246 and Ken Parrish 230. In the fourth game, Hot Shots got behind "Big Jakes" 277 with some nice clutch bowling for a 800 game and 442 total to put them back in the top spot. Wildcats slumped badly in this one and their game of 743 for a total of 4332 saw them 75 pins down. Eagles did not fare much better, their game of 673 giving them a total of 4271. Came the third and final game and Hot Shots, with victory in sight, poured on the heat and with "Big Jake" who had been bowling like like the weather, hot, turning in the best game of the night a 307 followed by Lewandowski 247 came up with a 1004 effort for a total of 5277. A most convincing playoff win. Wildcats, while doing better in this, the final game could not match the Hot Shots and their game of 832 saw them checking in with a 5184 total. Eagles who flattered but failed to get off the ground in their final shot despite a 207 solo by Floyd Hammond came in with a 197 game for a total of 5074. Mud Lucks as league champs were just going along for the ride, turned in some neat bowling, "Little Jake" Van Der Kooy 443, Renee Voskamp 418, John deBlauw 211 and Hennie Van Dam 223. So to the Hot Shots go the glory and all that goes with a playoff championship and it's congratulations to "Big Jake" Van Der Kooy, Web Kamings, Heida Roy, Ches Lewandowski and Jack Van Der Kooy. Would not go to close off this
