Rev. Bob Hyde ordained Sunday

KATHRYN SINCLAIR

By Mrs. Fred MacArthur
A number of members and friends of Churchill Community Church gathered at the Church Sunday May 28 and travelled by bus to attend the Ordination Service of Rev. Robert Hyde, B.A., M. Div., in the Physical Education Auditorium at Waterloo University. Also about 100 from Bob's Home Church at Hagersville attended. As well as all the members of his family also all of Mrs. Hyde's family were present. Then there were those who were unable to attend but do want to congratulate Bob on his success and wish him and his wife Carol the very best in their life's work.

A family dinner was held following ordination at Letsure Lodge, Preston.
Mr. and Mrs. Emerson Anderson attended the wedding of their niece Miss Nancy Spear Mr. Dan Rhynold on Saturday.
Mr. and Mrs. Harry Krocker, Bob and Brenda of St. Catharines were Sunday guests with Mr. and Mrs. Leslie Swackhamer and Debbie.

We were sorry to hear another old established farm home has been sold. Mrs. W. J. McDonald has sold her home and will be having an auction sale. We are pleased she is not leaving our midst rather she will be moving into Acton. The purchaser Mr. Medland has a brother and family living right around Churchill.

Kathryn Sinclair received her B.A. degree majoring in French at convocation at Waterloo University. She attended Esquing elementary schools and Acton high school where she graduated as an Ontario scholar. She hopes to attend Conestoga College in the fall.

Ballinafad

Break-ins, graduations wedding in area news

By Mrs. R. Shortill

Our congratulations through this column are extended to Mr. and Mrs. Stanley Rhynold (Nancy Spear), whose wedding took place in Ballinafad United Church on Saturday. Rev. Johnston performed the marriage, Mrs. Don Anderson played the wedding music and Mrs. Emerson Anderson was soloist. The reception was held at the Legion, Erin, followed by a wedding dance.

Mr. and Mrs. Albert Preance, Toronto, and Mrs. Arthur Spear visited Mrs. Harry Shortill on the weekend and were in attendance at the Rhynold-Spear wedding.

Break-in
A break-in and robbery occurred at the Plouffe service station about a week ago. On Saturday night an attempt to break in Ballinafad store was made. Front door glass was broken but evidently the would-be thieves were foiled in their attempt.

Graduation ceremonies
Graduation ceremony at Waterloo University was of special interest to local people.

Mr. and Mrs. Norm Sinclair and Mr. Brian Sinclair attended the graduation of Miss Kathryn Sinclair, who received her B.A. degree, majoring in French. Mr. and Mrs. Arthur Klatt also attended and witnessed their daughter Wendy receiving her B.A. diploma, majoring in sociology. Both young ladies deserve our heartfelt congratulations for their consistent study and attendance the past three years.

Kathryn attended Esquing elementary school and Acton High School previous to her

University entrance. She was an Ontario Scholar on her High School graduation.
Wendy attended Erin Elementary school and Erin High School and has always been a dedicated student.
The girls plan to further their educational training, at Conestoga College in the fall. They are presently employed for the summer at Bramalea.

Move to Erin
We understand Mr. and Mrs. Steve Patterson who have been residing here are moving to Erin where they have bought a house.

Call for funds
On Thursday night another meeting of the Cemetery Board and W.I. delegation was held at the home of Mr. and Mrs. F. J. Shortill. More discussion and planning took place on the erection of the plaque, as well as the need for funds for general maintenance. A further meeting will take place after more research is made. In the meantime, donations may be sent to the secretary-treasurer, Mr. Willford Sanderson, R.R. 1, Georgetown. Funds are urgently needed.

Mr. Fred W. Shortill is in Georgetown Hospital for treatment. We hope his condition improves soon.
Miss Deborah French spent the weekend with Mr. and Mrs. Dan Campbell, Acton, and attended Orangeville raceway with her

grandfather.
Miss Karen Shortill and her grandmother, Mrs. R. Shortill visited in Mimico on Saturday.
Bus tours
Bus tours seem the order of the day. Loads of school students pass back and forth during the day taking the various classes to places of interest.
We wonder sometimes if children appreciate these advantages that come their way. We can recall that it was quite a concession by the "powers that be" for a teacher to take her class to the O.A.C. in farmers' week. Now it just seems a minor decision to go miles away.
