H.S. science

An alternative to the current science course in high schools must be evolved if the same high academic standards are to be met, Jack Berry, a member of the Science Program Council and a teacher at T. A. Blakelock High School told the Halton Board of Education Thursday.

Berry said the course for the general course students shouldn't involve as much mathematics' problems as other courses do.

Don't want it He said some take science because they need it to go into a variety of vocations, not because they want to.

week

By Mrs. R. Wright

Mr. Rodney Bell is on a business trip for his firm for the past week which takes him to Finland and Zurich, Germany. Eden Nursing Home had a busy

day Sunday, it being the start of Open House week. The afternoon visitors were plentiful. The Salvation Army of Guelph played many selections on the grounds; they were invited inside to partake of afternoon tea and the many goodies provided. The members of the Eden House Auxiliary assisted.

In the evening the Rev. E. C. Cossar held a Vesper Hour for the patients, bringing an inspiring message, which brought a memorable day to a close.

Bridal shower

Wednesday evening, friends and neighbors of Eloise Watson gathered in the Sunday School room of Eden Mills Presbyterian Church for a shower in her honor. She is a bride-to-be in early July. Forty-five attended.

Mr. and Mrs. Cecil Flewellen and family of Alma were guests of Mr. and Mrs. Ralph Thompson Sunday. Mr. George Weale is at present in hospital in Toronto.

Mr. and Mrs. Garnet Mc-Dougall, Mr. and Mrs. Jack Chamberlain camped for the weekend at Kelso Park. Mr. and Mrs. Ed Jennings were. Alban's Day Sunday, June 25. in Port Perry for a few days.
