

Enjoy many privileges Dublin W.I. members agree

"What are our privileges as a Canadian citizen?" was the roll call responded to by the members of Dublin Women's Institute on Thursday evening.

Many thought-provoking answers were given. All agreed that a Canadian citizen, whether by birth or adoption, was enjoying many privileges in the country in which we reside.

Mrs. C. Britton, Blue Springs Road, Nassagaweya, was hostess to a splendid turnout of members, together with five senior 4-H girls.

Following the opening exercises, presided over by Mrs. H. Blyth, president, considerable business was dealt with.

An invitation has been extended to the Branch to be the guests of Acton Women's Institute on September 6 in the Acton Library, and was accepted.

Want drivers

Volunteer drivers are requested to take patients to Toronto and Hamilton hospitals, as the need is great. Anyone able to do this good work was advised to get in touch with the president, or with Mrs. W. Coats, Acton.

Final plans for a catering event at the official opening of the Halton Electric Railway Museum on June 25 on the Fourth Line of Nassagaweya, were outlined by Mrs. W. Lasby and Mrs. F.

McCarron on behalf of the committee.

The ladies were given an outline of the proposed annual bus tour to be held on July 5 by Mrs. D. Moffat and Mrs. C. Davidson. Visits to several places of interest in Toronto are scheduled, and a good day is promised.

Mrs. W. Frank displayed another quilt which some of the ladies had recently completed.

"Family Night" in commemoration of the 75th Anniversary of Women's Institutes all over the world was to be celebrated on Monday evening, June 19 by Dublin Branch. Husbands are joining their wives in journeying to the Breslau Hotel. Almost fifty are hoping to attend. There will be a social time and it is hoped everyone will get to know each other better. Mrs. M. Hunter, along with her committee, have been making the arrangements.

Humorous talk

Mrs. W. McIntyre as convener of one of the new Standing Committees "Family Affairs" gave an excellent and humorous talk.

A complete report of the Halton District Annual held recently in Campbellville Presbyterian Church was given by Mrs. Blyth. Five of the 4-H Senior Girls were present—Misses Karen and

Laurie Pierce, Kathy Lasby, Doris Black and Kathy Barber. Misses Bonnie Armstrong, Cathy Hinton and Gail Douglas were unable to attend the meeting.

Theme for the course was "Being well-dressed and well-groomed." Mrs. W. Lasby and Mrs. C. Armstrong tutored the girls, and as a result a fine showing of housecoats were presented for the ladies to see. Credit goes to both the leaders and girls in accomplishing such a worthwhile effort.

Miss Gail Douglas has completed a series of 4-H clubs, and will be presented with a silver cream and sugar set, mounted on a silver tray.

As the Halton County Shorthorn Lassie for the current year, Miss Kathy Lasby is leaving early in July for Calgary and other points in the West. Members congratulated her and wished her well for this fine trip.

Lunch was served by the hostess, Mrs. C. Britton, and Mrs. W. Britton and Mrs. H. Besley. Mrs. C. Davidson was courtesy convener.

Museum festival on this weekend

The third annual Summer Festival at Halton County Museum will be held on Saturday and Sunday, June 24 and 25 from 2 until 6 each afternoon. The museum is situated at Keiso Conservation area just west of Milton and the festival promises to be an enjoyable one with a musical program of bands,

dancers and singers through the afternoon. Crafts will be on display with some of the wares for sale and visitors can wander through the museum.

Log cabin

The proceeds from last year's event went towards the rebuilding of a log cabin, circa 1822, which was dismantled at its original site at the Currie Reforestation Tract in Nassagaweya and re-assembled beside the Museum pond last fall. Although the finishing touches remain to be done, the pioneer cabin will be open to the public. It's a good idea to pack a picnic and take the whole family for a day at the museum. Visitors can also go swimming or canoeing on the lake and will be met by people in old fashioned dress with an old fashioned welcome.

Proceeds from this year's festival will go towards the building of a terrace to enhance the natural beauty of the Museum.

TRIP TO OTTAWA

By: Jayne Pargeter

On Thursday, June 15, we loaded on the bus to Ottawa. It seemed a very long trip and a very long day. We stopped at service stations and then at Brockville for lunch.

We arrived at Charleton University for an appetizing supper. Later that night we went swimming at the Centennial pool. Then returning to the University grounds at 10.30 we were to go to sleep, as we were to be up again at 7.00 a.m.

Tool train

After breakfast we loaded onto the bus for the Parliament

Buildings and talked with Rud Whiting about our government system. Then we had free shopping time at the Shopping Centre. After lunch we toured the War Museum, then the Royal

Canadian Mint and the National Museum of Technology.

When we returned to the University for supper we decided at 7.00 we would go for a boat ride down the Rideau Canal and we went to an interesting movie. At 1.30 a.m. we returned to the University and settled down for the night.

Head home

Saturday June 17 we headed back for Acton. We stopped at Fort Henry, Kingston. We also stopped for supper at a service centre. We arrived in Acton at 8 p.m.

We all enjoyed ourselves very much.
