Plans squash and racquet club

A squash and racquet club may be established in Esquesing township near the intersection of Highway 7 and 22 Sideroad by Leon Deersley of Georgetown, if he's able to get the land rezoned once the township's official plan is approved.

Mr. Deersley presented plans to Esquesing Council Monday night.

Reeve Tom Hill said he hopes the plan will receive OMB approval soon and added council will entertain rezoning applications at that time.

Mr. Deersley said that if it is a year before the plan is approved, he may have to seek an alternate site, however.

Mitchell douses fire Tonelli claims win

Campbellville defeated the Burlington Cardinals by a score of 4-1 in Campbellville on Sunday afternoon to maintain their hold on third place in the League standings.

Ray Tonelli chalked up his second win of the season as he limited Burlington to one run off seven hits over six and one third innings.

He walked two, struck out two,

and hit one batter. In two and two thirds innings of outstanding relief hurling Garnet Mitchell shut the opposition out on one hit.

Campbellville took a 1-0 lead in the second. Dennis singled to right, advanced to second when the pitcher's pick off throw went wild and scored when Dredge's infield pop was lost in the sun.

Delegarde's home-run over the

right centre field fence in the third tied the score at 1-1.

Final runs

Campbellville scored their final two runs in the bottom of the eighth. Dennis homered over the right centre field fence for one and then with two out Don Hearn beat out a bunt for a single, stole second and scored on Dredge's double.

Delegarde homered and singled for Burlington. Cooper and Kelly each hit two singles and Salvisburg and MacDonald each singled once. Elmer Dredge led the 11-hit Campbellville attack with a double and two singles. Bill Dennis homered and singled, Larry McPhail doubled and singled and Hearn singled twice. Tonelli doubled and

George Chester singled.

Footnotes

Campbellville's diamond came through again as it was in excellent shape in the immediate wake of hurricane Agnes.

Campbellville's defence played errorless ball.

Campbellville will go to Dundas for a 6.45 p.m. game on Thursday and then play at home against Dundas at 2.30 p.m. on Sunday, July 27.

Refuse request

Request for financial aid from the Acton Rams' junior lacrosse club was refused by Acton Parks and Recreation Committee at last month's meeting.

In a letter to the committee, Rams' executive said a booster board will be erected in the community centre listing the names of donors of more than \$25.

Most committee members felt they were doing their share already by subsidizing floor rental rates for the Rams.

Chairman Hugh Patterson recommended that the committee decline at the present time, but reconsider if the team should encounter financial difficulties later in the season.

Peewees play in tournament

Acton Indusmin peewees gained valuable experience, although they were overmatched in the Dairy Foods lacrosse tournament in London on Saturday.

Peewees made a good showing in their consolation game, a 7-2 loss to Owen sound, a town more than four times the size of Acton. Randy Van Fleet and Shane Withers were the Indusmin goal scorers.

A much bigger Wallaceburg club blanked Acton 23-0 in the opening round.

Coach Paul Murr reports all the players enjoyed the tournament, which included two meals and a visit to the famous Storybook Gardens. Each player also received an individual trophy.

Towns with populations as high as 100,000 were involved in the event.
