Ukrainian camp busy place

Social workers, educators, university students and high school students of Ukrainian origin volunteered time this summer as organizers and counsellors at Weselka, the Ukrainian summer camp on the Fourth Line, Esquesing.

Boys and girls between the ages of seven to 15 belonging to the Ukrainian Youth Association are eligible to attend the camp for three weeks during the summer. This year 200, including staff, attended the first session ending July 28, and another 250, attended the second session ending Friday.

Bulk of the campers this year came from Toronto, Hamilton, Welland and surrounding areas in Southern Ontario. Some came from as far as Massachusetts.

Divided into group
An average day at the camp consists of arts and crafts, sports, lectures on subjects of interest and Mass at 10:30 in either Catholic or Orthodox rites. Groups of 18 to 20 campers, two counsellors and one educator work together throughout the day except when at the swimming pool where there are 40 to a group.

A no smoking rule governs everybody on the camp.

Weselka is located two miles east of Acton on 100 acres of pretty farm land. The camp is equipped with a huge swimming pool, track, various athletic fields and barracks with the male quarter separated from female.

An administrative building and a chapel are presently being built on the site. Both have the distinctive architectural characteristics of the Ukraine.

At the camp entrance, three poets, a general and an ardent Ukrainian nationalist are pictured in stone chips with the Canadian red maple leaf and the Ukrainian doublecolor blue and yellow flying over them. The red

and black flag of the Insurgent Army is prominently displayed over the Administrative building.

The Insurgents, the Ukrainian national army, attempted to liberate their homeland from the Russians and their ideals permeate the philosophy of the camp.

This week Weselka will become a sports camp and will retain this status until closing ceremonies September 10.

Mr. and Mrs. David Radcliffe accompanied by Mrs. Nellie Weick and Mr. Harvey Young have returned from a holiday at Silver Swan motel, Lake Couchiching. On August 18 Mr. Radcliffe celebrated his 92nd birthday by having a party with friends at Stover Restaurant, Orillia.
