Silver anniversary celebrated by Bruces

By Doris Fines

A very enjoyable evening was experienced on Friday when friends and relatives of Mr. and Mrs. Byron Bruce gathered on their front lawn to offer congratulations on their 25th wedding anniversary.

The event was planned by their family. Tables were arranged around a dance floor, and music from a hi-fi set, enhanced by perfect weather, made a beautiful setting. Another table was laden with food, not the least of which was fresh corn on the cob, to which the guests could help themselves.

This well known couple, who were married 25 years ago in Knox Presbyterian Church, Acton, have been blessed with four children; Beverly, a registered nurse at East General Hospital in Toronto, Bob graduated recently in Honors Chemistry from McMaster University in Hamilton, Brenda and Bradley are students at Erin District High School.

Friends were present from Woodstock, Kingston, Toronto, Guelph, Hillsburgh, Erin, Thamesford, Norwich and Stewarttown.

Among the many beautiful gifts received were two octagon end tables and a pair of silver goblets from the family. Also from brothers and sisters of Byron was a candelabra fixture and a swag lamp. Blanche and Byron expressed their appreciation to the friends for coming, the gifts received, and to the family and those who helped.

From west Mrs. Wesley Bruce from Whitewood, Sask. is visiting with her sons and daughters-in-law, Mr. and Mrs. Ward Bruce, and Mr. and Mrs. Byron Bruce, and their families.

Mr. and Mrs. Elmer Fisher were camping for a few days at Wasaga.

Mr. and Mrs. Gordon Aitken have been visiting their son and daughter-in-law, Mr. and Mrs. John Aitken and family at Cold Lake, Alberta. From there, they travelled on to Vancouver and back home on their three week

trip. Gary Ferguson, a student in mechanical engineering at Waterloo University, will be employed at Stelco, Hamilton, for the next four months.

Mrs. Ethel Fletcher of Bolton, accompanied by her daughter Shirley, has been visiting this week with her nephew George Fletcher, Mrs. Fletcher and family.

Visitors from France Mr. and Mrs. Jim Taylor and family have been entertaining visitors from France, three of whom were school teachers, the misses Bernadette and Francine Campet from Biarritz, Southern France, and Mr. and Mrs. Jean-Michel Generrat from Vilbert, outside of Paris. The Taylors found it interesting hearing the visitors' views of our country.

Mr. and Mrs. Sherlock Foreman and daughters Dana and Laura, of Fort Worth, Texas, visited Mr. Foreman's sister and brother-in-law, Mr. and Mrs. Gordon Aitken.

Mr. and Mrs. George Fletcher and family attended the Fletcher reunion at Rockwood Conservation Park. Six week old, baby Robert captured the prize for the youngest person there.

On Thursday evening the Ospringe boys defeated the Ospringe Sr. girls 21 to 5 in an exhibition ball game at the school diamond. The girls enjoyed the game anyway, and they really tried. Maybe next time, girls!

The junior girls softball games have resumed, with Mrs. Lawson Montgomery and Mrs. Ken Hawkins as coaches. Any girls aged 7 to 10 who are interested are welcome every Monday

evening at 7 p.m. at the school grounds. The donations they have received were very welcome, and they appreciate the kindness of the people of Ospringe and area for contributing.

Summer in Haiti

At Knox Presbyterian Church, Sunday morning, Miss Lois Cunningham gave a very interesting and enlightening talk on the two months she spent this summer on the Island of Haiti in the Caribbean Sea. Along with 15 young people, associated with the Evangelized Field of Mission, she landed at Port of Prince, the capital of the country. The first month was spent travelling around the country and living with the missionaries to see how the missions are run. Lois, a registered nurse, spent the second month working in the mission hospital in Northern Haiti, where the majority of the children treated were suffering from malnutrition.

Passes exam

Hennie Venema daughter of Mr. and Mrs. H. Venema passed her Grade 2 piano examinations held in Guelph by the Toronto Conservatory of Music. She is the pupil of Jean McLean.

Back to normal

Joint church services will soon be over for another summer. There were two co-operating groups this year, the United and Presbyterian congregations, and also the Baptist and Churchhill community church congregations.

The librarians gave a couple of weeks' grace on fines on overdue books after they reopened from holidays, but they're back on schedule now.
