## No one school for some staff

Among those working in North Halton in no specific school but in a number of schools in specialized work are the following:

Oral French Teachers — Gerald Brouillard, Mrs. Kathleen Dale, Norbert Gabet, David Gregory, Miss Joan Hyson, Miss Jo-anne Mitchell, Miss Arlene Spencer, Miss Elizabeth Williams.

Remedial Reading — Mrs. Jean Dunlop, Mrs. Dorothy James, Mrs. Vera MacDonald.

Speech Correction — Mrs. Judy Henderson, Russell MacDonald.

JUST a few more days of holidays for the young people.

## Will attend conference on waste disposal

Reeve Tom Hill said Monday night that Esqueing Council should and will be well represented at a seminar on solid and liquid waste disposal which will be staged by the Ministry of the Environment at Queen's Park, September 21.

An industrial waste disposal firm tried to locate in the township two years ago, but was unable to obtain necessary zoning changes.

The present landfill waste disposal site on land leased from Industrial Quarries near Acton has been a constant source of problems for council.

THE MUSIC centre will be an oasis in the midst of home development soon.
