from the world of sport

by Denis Gibbons

Roll out those lazy, hazy, crazy days of summer, the song goes. In this town of 5,000 the adjective "crazy" probably best describes the summer sports scene.

A record number of 17 teams are competing in the annual lacrosse tournament. The Acton minor league hockey team is also competing in the Ontario Hockey Association's South Central Division.

On Monday night the choice of Huntsville rural girls will be between the two teams.

Recreation committees are busy planning for the upcoming season.

It is expected that the community centre will be a popular spot for the summer.
