September 22. The day Canada meets the 1973 Fords. September 22. The day Team Canada meets the Soviet Union in Moscow.

September 22 is a big day for Canadians. For the first time, from the Soviet Union, you'll see many of Canada's best professional hockey players meet the best that the Soviet Union has to offer.

And, on the same day, at Ford dealers, you'll see the best new cars we've ever offered—from small economy cars right up to the ultimate in automobile perfection—the 1973 models from Ford.

Your kind of cars. Pinto, Maverick, Mustang, Torino, Ford and Thunderbird at Ford dealers.

And at selected Ford dealers you'll see the very best—Lincoln Continental and Continental Mark IV.

You'll see some styling changes and there are many, many technical innovations including the new energy absorbing bumper system. Cars built with better ideas by the Company that

listens better.

You'll find they're cars built for you. Because we've been listening to you. Finding out what you want.

We know some of you want the feel of a sports car while others want a car that's big and luxurious. To some, ride is the most important factor. To others, it's quietness. And still others feel that size and ease of handling come first.

We've taken all these factors into consideration. The result—the 1973 models from Ford. The best new cars we've ever offered.

If, by chance, you don't get the opportunity to see the 1973 Fords at your dealers, watch for them on the live or replay telecasts of the Canada/Soviet hockey game. Ford of Canada is a co-sponsor in bringing this exciting international event into your home.

All in all, September 22, 1972 should be quite a day for Canadians.

See the new models at your Ford dealers.

And while you're there, get your official home TV program for the Moscow series. Available to licensed drivers September 22 at participating dealers. (supply limited)
