<p>Nothing new</p> <p>Acton Council has honored a request by G. Thomas, a resident of Lot 1, Con. 4 Erin township for a water connection to his house on the Erin-Esquesing town line. Councillor Earl Masales, chairman of public works committee, assured Councillor Peter Marks at last week's meeting council is not opening up a problem area by granting the request. "Does this go to anyone who is on the town's main water line?" asked Marks. "This has been the policy. They pay for the complete installation," replied Masales.
