Church teenagers plan Hallowe'en gala Friday

By Mrs. Fred MacArthur
A Hallowe'en party is being held this Friday evening October 27, sponsored by the teenagers of Churchill Church. It will be held in the basement of the Church for old and young and come dressed in costume. Prizes for best costumes, games and contests. Ladies please provide lunch for all.

Church service on Sunday 11 a.m. in Churchill Community Church with the Sunday School as usual.

Prospectors' class
Last Sunday church service was very well attended. Rev. Fosbury opened the service and introduced members of the Prospectors Class of the former Prospect United Church in Toronto where Rev. and Mrs. Fosbury served and spent five very happy years together.

Mr. Norman Moyle was in charge of the service assisted by Mr. John Masters, Mr. Morley Zurbrigg and Mr. Dennis Sallaway. Two solos were much enjoyed. The Stranger of Gallilee and Steal Away Home with our organist Mrs. D. Anderson at the organ. Other guests also took part.

At the close of the service the ladies of the church served a pot luck luncheon to all in the Sunday school room where everyone enjoyed an hour of fellowship together. This is the third time this group have visited us and we appreciate their friendship and interest in our little church.

Two car loads of the friends drove on to Guelph before leaving for home to visit with Mrs.

Fosbury who has been a patient in Guelph General Hospital for over two weeks.

C.C.C.W. meet
The Churchill Community Church Women held their October meeting at the home of our president Mrs. Wallace Swackhamer. She opened the meeting calling on Mrs. William Thompson who gave the devotions. Two hymns were sung with Mrs. F. Thompson at the piano. Some business was dealt with. The minutes were read and accepted. A lovely lunch was served by our hostess, Mrs. Thompson thanked all who took part.

Anniversary party
A dinner party and later a surprise party at their home in honor of Mr. and Mrs. Clarence Denny on the occasion of their 25th wedding anniversary on Saturday evening, October 21, were given by their three children Vern, Ray and Joyce. The guests were from Guelph, Beamsville, Georgetown, Rockwood and Acton. The wedding cake was made by Mrs. Charles Perry and decorated by Miss Mary Lou Brown. A set of luggage from the children and other lovely gifts were received with the very best wishes from all. A sumptuous supper was served at the close of a very happy evening.

Miss Erica Stokov who is attending Guelph University was home for the weekend. Friends in this district will be pleased to hear Mrs. Evelyn Near is recovering nicely after surgery

in Guelph General Hospital.

City event
Mrs. W. J. McDonald attended a dinner at the Holiday Inn on Elizabeth Street, Toronto to celebrate the Chartered Dinner and Graduation Ball of the Society of Trained Practical Nurses Incorporated on Saturday evening, October 21.

Dr. and Mrs. C. E. Bayliss and daughter Melinda visited with her parents, Rev. Fosbury and Mrs. Fosbury who is still in Guelph hospital having more tests. We do hope she soon will be able to return home feeling better.

Visitors with Mr. and Mrs. Bob Kerr were Mr. and Mrs. Boyd McIntyre, Mr. and Mrs. Ernie McEnergy.

The ladies of the C.C.C.W. wish to thank all who helped with the paper, rag and scrap metal drive. Thanking you again.

Local players join orchestra

Archie Korr of Churchill area, Keith Barber, Philip Levy, Peter Gothe and John Duenk of Georgetown have joined the Mississauga Symphony Orchestra of 60 musicians under Dr. Boyd Neel.

AGAIN this year Acton children are collecting for others as well as themselves on Hallowe'en. A nickel that buys candy for a Canadian child could have protected five children against tuberculosis or provided enough seed for a 200-foot row of carrots.

1,300,000,000 a lot of cabbage

Sometimes we perhaps lose sight of the importance of the pennies, nickels, dimes and quarters collected by thousands of Canadian youngsters every Hallowe'en. And maybe we become a little blasé when we hear for the hundredth time, what the money is used for, but consider this:

- The money collected in Canada last Hallowe'en would purchase the following:
- A year's supply of supplementary drugs for 25,000 mother and child health centres;
- Protection against tuberculosis or smallpox for 3,000,000 children;
- Enough seed for 1,800,000,000 cabbage plants; 3,000,000 baby chickens;
- Sixteen years of teacher training courses.

Eden Mills

Church bazaar success

By Mrs. R. Wright

Despite the weather many shoppers turned out to the bazaar at Eden Mills Presbyterian Church to empty the laden tables of goodies on Saturday. The ladies were well pleased with their efforts which made it a successful event.

Mrs. Anna Wilson is enjoying a three week tour of California. The Brownies and Guides are getting down to business for the winter months with a heavy program ahead.
