STRIKES at Youth Bowling

of pneumonia. From the Seniors it's Jay Christie with a case of the "flu". Also suffering from a broken toe, but still turning out to bowl in an over-sized bowling shoe is Christine Hiseck. Our newest and youngest addition (honorary of course) to the ranks of our Y.B.C. bantams, is Stephanie Parker. Stephanie is the five year old daughter of Mr. and Mrs. Jim Parker. Mrs. Parker is the former Jackie Palmer, who was Canadian Press Secretary of the Year for Y.B.C. back in the season of 1968-69. Jackie informs us that Stephanie "bawls" a good game.

The Seniors had their turn in the "Family Twoomes" and some very good scores were bowled. For the girls, Karen Cole with her mother Betty came first. Kim Van Der Eykem teamed up with her father Gerry for second. With the boys it was Cliff Crassey with his father John, Arle Vranjich with his father, Kora, was second. That's all for now, so have a good day and we will see you all next Saturday.

Ask donation for competition

Esquering Council will discuss in committee a request for a \$300 donation from the Hutton County Farmstead and Rural Home Improvement Competition committee.

The competition is being held in connection with the 1974 International Plowing Match, scheduled for a farm in the township, north of Georgetown.

Bruce McClure, secretary of the committee and Norman Bird, a committee member appeared before council Monday night.

McClure told council the committee is asking each municipality in Hutton for the same amount as a donation. He explained the competition is being held in hopes owners will improve the appearance of their property in order that visitors to the county will gain a favorable impression of what they see here.

Cash prizes will be awarded to competitors following the judging.
