

## Illness, trip in area report

By Mrs. Fred MacArthur  
Churchill Community Church Sunday morning worship service and Sunday School was well attended. Rev. W. A. Fosbury's sermon was solitude as an aid to faith. The choir sang an anthem Stand Up Stand Up, for Jesus.

Churchill readers and friends will all be pleased to hear Mr. Wallace Swackhamer returned home from Guelph General Hospital last week and is doing very well. We hope he soon feels himself again.

Mr. and Mrs. Theodore Martin of Vineland and Mr. and Mrs. Ivan Johnson of Beamsville also Mr. Wes Lloyd of Toronto were visitors with Mrs. Arthur Griffin who is still a patient in Guelph General Hospital.

New baby  
Congratulations to Mr. and Mrs. Ed Hillier on the birth of a baby girl Crystal Robin in Guelph General Hospital, Saturday, Jan. 13.

Mr. Paul Cooper, son of Mr. and Mrs. Arthur Cooper of Acton accompanied by his friend Mr. David Cooksley of Rockwood, R.R. 2, have been on a wonderful trip. Paul has returned home after visiting Scotland, Denmark, Turkey, Greece, Italy, Norway, Bethlehem, Jerusalem and travelled back to England to New York and back home arriving on Saturday, January 13. He reports it was a wonderful experience and slight seeing one could never forget. But he is glad to be back saying, "There is no place like home."

David is still not ready to return hoping to visit and see more of the country, probably India or North Africa. Anyone who would like to write to David Cooksley of Rockwood, his address is: Kissusim Doar Na Hanegeb, Israel.

## Set aside new restrictions

A joint meeting between Erin township council, MPP John Root and representatives from the Department of Health decided to set aside any other restrictions on the Hillsburgh nursing home until proposed plans for enlargement are submitted.

The township council has expressed fears that the Hillsburgh home would be closed under new regulations emanating from Queens Park and asked for the meeting in an effort to keep the home active. Council felt it provided a much needed service to the community would disappear if the owners were not able to meet the new regulations.

Among other changes was the insistence on a 24 hour RN service, instead of the present two shifts.
