# Cougars dictate terms for Sabre rise in stats

Acton Sabres must win at least one of their two remaining league games to avoid finishing in sixth place in the South Central Junior "D" league.

Schomberg Cougars arranged that situation by trouncing Sabres 9-4 in Schomberg Sunday afternoon, after the two teams battled to a 4-4 tie in front of a lively crowd of 300 fans at the community centre Friday night.

Sabres presently trail Schomberg by four points, but will gain two on the Cougars, since they have four default points coming to them from Shelburne games, while Schomberg has only two coming.

Both teams have two games to play, Sabres play Ferguson at home and Stayner on the road, while Schomberg plays both of their games at home against Bradford and Stayner.

**Fires five**

Dennis Brown scuttled the Sabres almost singlehandedly by scoring five goals in Sunday's game. Rick Oldfield, Reg Wilder,

**GARY TURKOSZ Finds range**

Doug Woods and Paul Bedard netted the other Cougar goals. Gary Turkosz bagged his 17th and 18th goals of the season for Acton. Graham Fraser and rookie Lee Young scored the

others. It was Young's first goal. Rick Bonette got off to a bad start in the Sabre cage and coach Bill Dawkins lifted him in favor of Gary Louth, after the fifth Schomberg goal in the second period. Louth played spectacularly in the final 20 minutes, allowing only two Cougar goals and kicking out 23 shots.

Bill McGilloy sat the game out, after receiving a game misconduct in Friday night's game. Defenceman Brian Davy was also tossed out of the game in the first period.

**Exciting game**

In spite of the fact a total of 98 minutes in penalties were served by the two teams, Friday's game was one of the most exciting of the home season.

Most fans felt Sabres deserved a win on the play, but the Acton club had to settle for a tie on Gary Turkosz' third goal of the game

late in the third period. John Snow tallied the other Sabre goal and added a pair of assists.

Jack Taylor, Paul Bedard, Doug Woods and Reg Wilder replied for Schomberg.

Shots on goal were almost even with Acton enjoying a 31-30 advantage.

**SABRE POINTS**.... Lee Young, a midget-aged player from Alton played well in both games. Sabres signed him last week. Coach Bill Dawkins was also ejected from Friday night's game for protesting a referee's decision in the third period. Turkosz has scored seven of 14 Sabre goals in the last four games. Pete Morrison, who was just regaining his shooting eye, after being sidelined for a month with mononucleosis picked up the flu bug last week and had to miss both weekend games.

## Select 16 teams for peewee tourney

Four first time entrants are among the 16 teams selected to play in the Acton Legion Minor Hockey Association's fourth annual peewee house league tournament scheduled for the community centre Saturday and Sunday, February 24 and 25.

House league teams from Barrie, Shelburne, Elora and Milton will be playing here for the first time, along with returning teams, Hespeler, Georgetown, Centreville, Lorne Park, Streetville, Preston, Erin, New Hamburg, Ancaster, Elmira, Listowel and Acton.

Twelve preliminary games will be played on Saturday beginning at 7:30 a.m. with the semi-finals and championship game slated for Sunday afternoon. All competitors will receive crests and a Saturday meal at the local Branch 197.

The defending champion Hillsburgh peewee team is involved in OMHA play this year and the "burg will not enter a team. Centreville, a suburb of Kitchener won both the 1970 and 1971 tournaments.

## MLG meet benefits Acton High quintet

Valuable experience was gained by five members of the Acton High track team, although they failed to bring home any ribbons from the Maple Leaf indoor games, held in Maple Leaf Gardens Friday.

Running on the boards for the first time in his life, 16 year old Frank Houston recorded his best ever time, five minutes flat in the open 1 mile event. Rod Keeping of Burlington Lord Elgin won the race in a time of 4:24.

The AHS 4x800 relay team made up of Roger McEachern, Rick Near, Scott Sommerville and Cliff Creasey, also getting its first taste of indoor competition placed seventh in its heat. The event was won by the Hamilton Collegiate Institute team.

Track coach Bruce Andrews predicts that with more hard work and competition the athletes will be ready to pull a few surprises in the Halton County outdoor meet in the spring.

Several Actonians were among the record crowd that watched Ottawa's Glenda Reiser break the world record in the women's 1000 yard run and Canada's Grant McLaren battle Olympic Champion Kip Keino of Kenya in the three mile event on the evening program.

## Gryphon JV's face Sabres Fri.

University of Guelph Gryphons' junior varsity team will face Acton Sabres in an exhibition game at the community centre Friday night at 8:30.

The Sabre booster club "Penalty Box" will be open as usual.

## Novices bow

New Hamburg novices drew first blood in their best of seven OMHA Novice "B" Zone 2 playoff series with Acton A-B's, winning 2-1 here Saturday afternoon on an overtime goal by Jonathon Martin.

The series opener was a lively affair from start to finish and most observers felt the Acton squad deserved a better fate.

"We missed at least five real good scoring opportunities, but what can you say, they only count if they go in," commented coach Fred Buchanan.

Rob Renshaw put Acton in front with help from rookies Gary Lumbert and Gareth Turner at 2:24 of the opening period. Scott Pettigrew tied the score for New Hamburg four minutes later.

# We take the edge off asking.

And, hopefully you to us if you're thinking about a loan.

Now, the person you'll see at our place isn't some kind of financial ogre. He won't try to put you down, stare you down, or check the heels on your shoes. But most important, he wants to give you that loan.

That's one of the ways he makes his money. So you just tell him how much, how much you can afford each month, then it's up to him to work it out.

And without getting you in over your head. And, that's it. No red tape. No edge about asking.

You see, we feel two heads are better than one. We figure if two people set out to achieve goals, they might come a little easier. Your goals, and our goals. So with a Commerce Bankplan loan, you get more than money. You get a working partnership for achieving goals.

And that gives us still another edge over other banks. Besides taking the edge off asking in the first place.

To start with, let's set something straight. We're in the money business. We invest money to make money, so that we can lend money. It's that simple. But, all of it isn't worth a plugged nickel if someone doesn't use it.

Which brings us to you.
