Suggest lower speed limit

Department Transportation and munications has recommended that Esquesing Council lower the speed limit to 30 m.p.h. on the Sixth Line from 22 Sideroad, south to 17 Sideroad. The recommendation follows briefs presented to council by ratepayers who live along that por-

tion of the Sixth Line. At the same time the department has suggested that conditions on 22 Sideroad, east of Highway 7, are not quite the same and recommended that the speed limit on that portion of road remain as is at 50 m.p.h.
