forward in Untario this coming Monday evening, April 2nd., when members of the hawling industry alt down together for a very special dinner. The occasion will be the industry's first annual awards dinner to honor those persons who have made significant contributions to the sport. Itereving the tributes of their friends and associates at this first dinner, to be held at the Hyatt House on Avenue Hoad, Toronto, will be: Joseph G. Hoberts, former president of Double Hoad, Toronto, will be: Joseph G. Holierta, former president of Double Diamond Howling Supply, who assisted many bowling centre operators during the "depression" years 15 years ago to remain in business where they now prosper and provide valuable recreational services to the community. Mrs. Flo Cutting, long-time secretary of the Ontario Howling Congress, the mostly volunteer body which united bowlers in Ontario and worked to standardize rules and upgrade the sport. Her rules and upgrade the sport. Her pleasant manner and enthusiastic energy during the OBC's early years were an important part of the success of the organisation; which now has more than 25,000 members. Jim Beeforth, still an owner of a bowling centre on Yonge Street, Toronto, was truly one of the pioneers of the sport, helping to set up the OBC, develop the rules of bowling, organizing tournaments, encouraging and subsidizing bowlers. He is also a former president of the Bowling Proprietors' Association of Ontario, one of the organizations which, along with the OBC, has set up this dinner. Both the bowlers and proprietors feel strongly that bowling has come of age and it is time to recognize the persons who have made the sport so successful. All three of these people have made

major contributions, and there will be

many who will turn out to honor them.
