Gymless Erin wins annual ball tourney

The gymless Erin school emerged from the annual volleyball-basketball tournament at the John F. Ross school, Guelph, last week as the top point getter among the five schools from Erin and Eramosa townships who competed.

Final standings in the event saw Erin tops with 12 points, Eramosa second with 11, Oupringe third with nine, Rockwood fourth with eight and Eramosa trailed the field.

Erin girls grabbed eight of the 12 points the winners chalked up in volleyball while the boys garnered four, in the basketball competition. Four gyms at the John F. Ross school were used in the competition, in which the Erin school was the collar-dweller last year.

The Erin school was especially proud of the achievement because they have no gym and practices were held in the hall, or when weather permitted outside. Two points were given for a win, one point for a tie.

Sunshine club joins carnival

A bus trip to Douglas Point, and progressive euchre for all seniors during the Lions Club's mammoth Victoria Day holiday carnival were part of last Thursday's agenda for the Rockwood and District Sunshine Club meeting.

Fifty members were present when president Ralph Williams opened the session with Mrs. Early playing the piano for O Canada and the theme song The More we Get Together.

Pleasure came before business then with Mr. Thos. McCutcheon heading up a program with his rendition of The Mansion over the Hilltop followed by Mr. A. Couling's mouth organ selection and a skit The Shot-gun Wedding riotously performed by Eden Mills spectacular actresses Mrs. A. Wilson, Mrs. N. McLean, Mrs. H. Gilbertson and Mrs. W.

Gilbertson. Everyone had fun and, to finalize the festivities, Mrs. Early played a guitar and sang I Wish I was Single Again.

Make plans During business it was moved that the club should co-operate in the May weekend Lions venture and, for those seniors interested in euchre they will hold a progressive euchre in the town hall beginning at 8 p.m. on Friday, May 18 with a Saturday May 19 bake sale, penny table, and continuous concert for dropper-ins who would like to sit while and enjoy a cup of coffee or tea with their entertainment.

The seniors also discussed a paper back book sale and decided to send out feelers to all community citizens to contact Mrs. Robina Peacock on Harris Street if they had any such books to

contribute. As proceeds from Saturday venture would go towards the planned bus trip, a discussion on cost of the trip was set at \$2. per person with lunch expenses absorbed by the Club but with payment for trip to be brought in to the next May 10 meeting.

After the business it was euchre and crokinole and prizes for high score went to Mrs. Rose Onkes and Mrs. Edna Ewers, Lone hand winners to Miss Florence Till and Mr. A. Couley and, for crokinole top winners were Mrs. Little and Mr. Heyden.

Lunch was then served by Mrs. Lawrence and Mrs. Nellies during which members were reminded once more to bring their \$2. bus trip costs to the next meeting.

Plan to improve Brookville park

After lengthy discussion Nasagaagweya Township Council agreed to an expenditure of approximately \$1,200 to make improvements on the ball park in Brookville, behind the township offices.

Mrs. Lyn Smith of Brookville Recreation Association told Council of the needed improvements and the growing interest in ball.

The money will be used to add onto an existing building and provide better washroom and refreshment stand facilities.

Reeve foots bill While the cost of a new roof, hydro, plumbing and the addition will be paid for by the township, Reeve Mrs. Anne MacArthur said she would foot the bill for the sand needed for the diamond. That was estimated at \$60.

Deputy Reeve Jim Watson will meet with Mrs. Smith and members of the Brookville Recreation Association to get the project underway.

It was suggested the township may be eligible for a community centres grant. Council agreed to approach MPP George Kerr on the matter.

"Cash-Flow is the modern way to borrow, based mainly on what you earn — not what you own."

Says James Wiersma, TD Manager, Acton

To get a loan, a few years ago, you pretty well had to own things—like a house, or bonds, or other securities. Now, however, times have changed. And at Toronto Dominion, we're glad of it. Today, when you come to us for a loan, we look at your earnings and expenses—or what we call your "Cash-Flow". To work out your Cash-Flow, simply write down how much you earn, and how much you pay out in fixed expenses. What's left over is the money you can afford to spend, or save, or pay back in instalments when you want to borrow. Cash-Flow is a realistic guide to how much you can comfortably borrow. It can put the things you want within your reach. For help in working out your Cash-Flow, see us any time. We'll show you how you can put it to work to get those things that are important to you.
