Eden Mills

Mr. and Mrs. Weale lunch with Queen

By Mrs. R. Wright
The monthly meeting of Waterloo-Wellington District Presbytery was held Tuesday evening in Eden Mills Presbyterian Church. Since it was ladies' night, wives of the ministers and all participating elders were present.
While the men were in session, the women took a tour in cars to Rockwood Academy. The tour had been arranged by Mrs. Sinclair. Mr. Drenters explained the history of the beautiful stone building dating back to 1868.
The group returned to the church at 9 o'clock to see Rev. Dr. Sinclair of Eden Mills Church take the oath of office as Moderator of Waterloo-Wellington district for the coming year. Rev. Robert Spencer of Arthur took charge of the service. After a social hour with refreshments served by the church women, those in attendance retired to their homes.
Hold bee
The cancelled church cleaning bee for Eden Mills Presbyterian Church was held Monday by the Ladies' Aid. Arriving with pails, dusters, cleaners etc. at 9 o'clock, everyone took on their job until noon when a social time was enjoyed at lunch. Then the finishing touches were given in the afternoon, curtains hung and everything put back in place.
Friends in Eden Mills will be sorry to learn of the passing of Roy Alton in Toronto, June 17. Mr. Alton was a former resident of the district.
Mr. and Mrs. John Turner are home after a holiday at Head Lake.
Weekend guests of Mr. and Mrs. George Weale were Mr. and Mrs. Dan Harvey, Mrs. Gordon Harvey and Lenore Harvey, all of Scarborough, Mr. and Mrs. Ken Pincoe and Mr. Blake Pincoe of Toronto.
Mr. and Mrs. George Weale were invited guests of the city of Toronto at a luncheon for Her Majesty the Queen and His Royal Highness the Duke of Edinburgh at the Four Seasons Sheraton Hotel Toronto yesterday (Tuesday). Before he retired, Mr. Weale was clerk of the city of Toronto for 50 years.

Restrict cutting of trees

Halton County Council has passed an updated by-law covering the cutting of trees in the county. The by-law forbids the cutting of trees unless they reach measurements that are specified in the by-law.
The by-law makes provision for a fine of \$500 or three months in jail for every person convicted of contravening the by-law.
Three by-law officers will be appointed to enforce the provisions of the by-law and be paid on an hourly basis and called to work as required.
Generally the restrictions in the by-law govern the destruction of trees by cutting, burning or other means.

Welcome to new Diamond

By Mrs. R. McLean
Congratulations to Joyce and Bill Diamond on the birth of an 11 pound son, a brother for Janet, Kevin and Tracy.
The disciples saw Jesus pray many times. The Jews had certain set prayers throughout the day. When Jesus prayed, something happened, calm, peace, restoration and blessing. When Jesus gave his disciples the Lord's prayer, he said, "In this manner" meaning that they should develop their own form of talking to God.
The little girl being put to bed in the dark, was assured that God was there. She said, "I need somebody with a face." Before Jesus, God was not thought of as

an intimate, personal father, guiding wisely, helping grow.
When a Texas minister's daughter died, he was told, "Go ahead and be mad at God. He's big enough to take it."

A DIRTY TRICK

Consumers' Association of Canada reminds shoppers to be wary of vacuum cleaner suction demonstrations. No machine will remove all dirt in one or two tries. Suspect salesmen who run two machines and claim the second has superior suction power.
