

SEVEN JET CARS such as the Green Mamba, shown here, raced at the Toronto International Dragway near Acton last Wednesday for excited car fans. Doug Rose, the driver of this jet, made three runs, the top speed he

made was 234 miles per hour, as he won the event. Rose has two wooden legs, the result of an accident on a U.S. track last year, but continues to race.

Three area girls on Ontario club

Three area girls played for the Kitchener-Waterloo Civitans softball team as they won the right to represent Ontario in women's softball, at the Canada Summer Games in B.C. The club was undefeated in the Oshawa tourney.

Gail Nichol and Pauline Pinder from Rockwood and Susan Thomson from Brookville all played for the K-W champions

who will pick up two more players before going to B.C. The Kitchener club relied on 14-year-old Sue Thompson to pitch them to two wins and 15-year-old Wendy Kaufman of New Hamburg for two more. Each of them pitched a shut-out as Kitchener downed Hamilton 12-6, Scarborough 1-0, and knocked off Milverton twice by scores of 4-0 and 13-6.

Peepees drop four

Acton Thompson Fuelers peewees dropped four of their last four starts in intercounty baseball action.

Visiting Brampton for the first time Acton came up on the losing end of a 3-1 score. Shortstop Murray McNabb paced the club with two hits. Pitcher Robert Van Der Laan and catcher Frank Van Opstal supplied one each.

In a return match in Acton the Fuelers gained ground on their opponents losing only 19-2. Vanderlaan hit safely twice while David Williamson supplied one hit. S. Mitchell and Terry Bateman shared the pitching duties.

Lose two more
 In games against Georgetown a visiting Acton squad dropped a 17-0 decision and lost the home game 19-4.

In Georgetown Bill Sheppard hit well making it to base two of three attempts. Single hits went to H. Roach, Van Der Laan and Van Opstal. Mitchell handled the Fuelers' pitching duties.

In the return match pitcher Van Der Laan and J. Gordon were strong hitting three for three. C. Tutton, Bateman and Van Opstal hit twice each.

Bush fire

Acton Firefighters had their Dominion Day morning interrupted Monday with a call to a bush fire on the Alteo Construction site, behind the Kingham Hill townhouses.

Alteo workers were burning scrap lumber in the bush area and neighbors turned in the alarm.

Firefighters requested the fires be allowed to burn down as there was no water or dirt in the area to extinguish them.

Fairy Lake bass

OPENING DAY OF the bass season was just the right time for eight-year-old Paul Phelan of Cobblehill Road, Acton, to latch onto this 15-inch largemouth bass in the waters of Fairy Lake. Brother, Mike, 7, helped carry the catch home in the net. Bait—a big fat juicy dew worm the bass could not resist. The boys have done a lot of fishing in Fairy Lake this season but this is their prize catch to date. They are sons of Mr. and Mrs. Paul Phelan.
