Limehouse

Elizabeth Hoey describes crafts for W.I. members

by Mrs. A. Benton

The W.I. met in Limehouse Memorial Hall on Thursday evening, nine members and 11 visitors attending. Members answered roll call with a fine display of their own hand work. President Mrs. Frank Brown chaired the meeting opening with O Canada and the Mary Stewart Collect. She called for two minutes silence in memory of our provincial director Mrs. Geo. Henderson, who had passed away on Wed., and led in repeating the Lord's Prayer. Mrs. Jas. Noble read in a Little

Room to illustrate the motto, Busy Hands Breed Contentment. Mrs. Roughley had prepared current events. Conveners of standing committees each read an appropriate item.

Explains crafts
Convenor of Education and community Activities Mrs. A. W. Benton who had arranged the program, called on guest speaker, Elizabeth Wilkes Hoey, an artistic craftsman. Mrs. Hoey had arranged a large number of her crafts, which she proceeded to explain. She uses cottons or

linens for most of her screen and leaf printing as synthetics are not satisfactory. She preserves our forefathers' tools and utensils and Indian symbols on towels, cards, etc. She showed the use of wool from the fleeces of her own sheep to the woven garments.

She ended by demonstrating tile making from painting the raw tiles to ready for firing. She confided to having articles accepted by the Handicraft Guild in Toronto for their Canada wide show later this year.

Mrs. G. Booth expressed courtesies and Good Night Ladies was sung in closing.

Lunch was served by social convenor, Mrs. Frank Brown and assistants.

saddened at the passing of Mrs. George Henderson this week. Past president of Halton Area Women's Institute, Isabel has always been a strong and able worker on community projects and her home was always open to women's groups. She will be missed by many friends. Sympathy goes to George and family.

Your eyes—your first line of Self-Defence.

The best protective equipment you can ever own is already yours—one pair of eyes. Just knowing what's going on around you helps you avoid job accidents. So it makes good sense to look after your eyes, with protective glasses if

the job calls for them, and regular check-ups if your eyesight's below par. Take care of your eyes, and they'll see you safely through the working day.

Ballinafad News of Neelons U.C.W. bus trip

By Mrs. R. Shortill

Mr. and Mrs. Jessop and two little daughters have moved to their home here, the new house recently vacated by the Burnetts. Mr. and Mrs. Robert Bousskill attended a wedding on Saturday. The local Orange Lodge group attended the Orange Celebration in Owen Sound on Saturday.

Sinclair reunion
The annual Sinclair reunion was held on Sunday at the Community Centre. A large crowd of all the connections enjoyed the day together with the usual picnic meal.

New appointment
An interesting brochure came to my hand this week concerning one of our former student pastors, Mr. and Mrs. Alan Neelon, who, after leaving here, were with the Salvation Army for 11 years.

After leaving service with the above they accepted a position as "house-parents" for the Winnipeg Half Way House, which is part of a chain of such houses operated by the United Church of Canada. He serves as well as chaplain of the Royal Canadian Legion, St. James branch, No. 4 and to various members of army, navy and air force veterans in Canada.

His new appointment under the

Marriage Act will allow him to accede to many requests to perform marriages, which in the Salvation Army he did. In outlying areas of Manitoba often the services of a licensed clergyman are difficult to obtain.

Mr. and Mrs. Neelon plan to visit friends around here this week.

We wish him well in his new appointment as "Marriage Commissioner" of Manitoba.

Church picnic
The annual Church picnic was held on Sunday at the home of Mr. and Mrs. Htek Sales.

Mr. and Mrs. Bud Snow left on the weekend for their vacation. Mr. and Mrs. W. L. Rogers visited in Milton this week.

Mrs. Harry Shortill and Penny are spending a few days at Alcona Beach, the guests of her sister Mrs. Preece.

Miss Ione Oakes of Mimico spent last week with her sister, Mrs. R. Shortill.

Bus trip
The bus trip to the Goderich area, sponsored by the U.C.W. was a very enjoyable one for about 45 people. One of Denny's comfortable vehicles transported them with Mr. Gordon Alken the driver.

Writing history
One of our local young ladies, Mrs. Garry Kroezen has been trying her literary hand in assisting writing the historical articles appearing in the Erin paper concerning the Old Mill. We commend Bieca on her splendid work, in collaboration with Jacqueline O'Connor.

Mr. and Mrs. Wm. Htek's house is coming along nicely.
