

## Sue's home from Canada Games

Sue Thomson arrived home late Monday night with the Kitchener Civitan girls' junior softball team which represented Ontario in the Canada Games in New Westminster-Burnaby B.C. Although the Kitchener team finished fourth in the tournament, they still won four of the seven games they played. The top three teams, Saskatchewan, B.C. and Alberta took home the gold, silver and bronze medals. Sue pitched in three of seven games and met many friends

from every province. Girls traded souvenirs and pins as a gesture of friendship. The Kitchener team now enters the O.W.S.U. playoffs against Ontario teams. They are planning a 10 day tour of Western Canada next year.

Sue is the daughter of Mr. and Mrs. Doug Thomson, who live on the Fifth Line of Massagaweya north of 15 Sideroad. She also pitches for Brookville midget girls.

## Brookville girls score by dozens

After polishing off Oneida in the first round of the ORSA playoffs, Brookville 13 and under girls will now go on to meet Hillsburgh in the second round. First game of that series is scheduled for tonight (Wednesday) in Brookville.

### Three pennants

The three Brookville girls' softball teams (16 and under, 13 and under and 10 and under) finished their regular seasons in fine style, all winning Tri-county league pennants.

The two young teams went undefeated and the 16 and under girls lost only one game. As seems to be the case every year, Hillsburgh girls were right behind Brookville in second place.

Congratulations girls and good luck in the playoffs.

Brookville 10 and under girls eliminated Ponsonby in the first round of the Tri-county softball playoffs, winning in two straight games by scores of 24-0 and 25-10. Brookville will now play either Belwood or Hillsburgh in the finals.

The Oneida series was no contest, as Brookville romped to wins of 17-4 and 42-5. Donna Dennis, Laurie Kennedy, Joanne Dennis, Tammy Henderson, Amy Van Garenen, Autumn Watson, Gwen Elliott, Cheryl Buchanan and Margaret Juti all hit home runs for Brookville in the series. Tammy Henderson pitched both games for Brookville. Betty Moss was the losing pitcher for Oneida.

**Earn by**  
The girls earned a bye into the Tri-County league finals by trouncing Ponsonby 68-4 and 26-13 in a two game playoff series.

Tammy Henderson clubbed four home runs in the first game. Autumn Watson clouted a pair and single homers were hit by Laurie Kennedy, Amy Van Garenen and Gwen Elliott. The rest of the team did their bit with singles, doubles and triples, as Brookville scored 11 runs in the first inning and walked to victory.

Winning pitcher, Tammy Henderson held Ponsonby to just four runs.

Joanne Dennis, Donna Dennis and Tammy Henderson combined to handle the pitching for Brookville in the second game.

# Chicks check Hawkettes earn two weekend ties

Nothing was settled, but a good time was had by all, when Acton Chicks travelled to Huntsville on the weekend to test their lacrosse skills against the Huntsville Hawkettes.

In a two game exhibition series the female boxla squads battled to 1-1 and 2-2 ties, destroying the

popular belief that defence in lacrosse is a thing of the past. Brenda McClure broke away to score the only Chicks' goal in the first game Saturday night with just 44 seconds left to play.

**Goalie good**  
Up until that point Hawkettes goalie Diane Brueton had stopped Acton shots from almost every point on the floor. Brenda McClure and Patty Perron especially had several good scoring chances. Lisa Parrott scored the Huntsville goal at 8:30 of the second period.

Chicks received just one penalty, that of Karen Manes, while Huntsville girls served six minors.

Sunday afternoon Patty Perron finally found the mark to put Acton ahead 1-0 at 10:30 of the first period. Lisa Parrott tied it up for Huntsville four minutes later.

Early in the second period, Maureen Gerth fed a sharp pass to Brenda McClure who blasted it past Diane Brueton in the Hawkettes nets to make the score 2-1.

A Chick victory seemed likely until Pat Stewart picked up a rebound off the boards and fired the ball into the net to tie the

score. Chick goalie Susan "Shorty" Sommerville had no chance to make a save.

**Rock attackers**  
The Acton defence brigade made up of Maureen Gerth, Gail McClure, Joanne "Shank" Ancker and Maggie Given rocked Hawkettes attackers with stiff crosschecks in both games.

The Chick lineup was depleted in the second game, when Maggie Given and Brenda McClure were hurt in the third period and forced to leave the game.

Following the Saturday night game, girls of both teams got together for a barbecue at the motel where the Chicks were staying.

Huntsville will play a return series in Acton in the latter part of September.

## Brookville midget girls in ORSA second round

Blackheath became the first victims of Brookville 16 and under girls in the ORSA playoffs.

Brookville won the first game in Bihbrook 26-13 and took the second on the Badenoch diamond

19-11. A last minute downpour forced the switch to Badenoch.

Leading 23-3 heading into the eighth inning of the first game, Brookville lifted starting pitcher Sue Thomson in favor of Linda Dennis. Blackheath exploded for

10 runs and Sue had to be called back in to relieve.

**Hits homers**  
In the second game Sue Thomson hurled the victory and also belted two home runs. Linda Dennis also homered for Brookville.

The Brookville girls are playing older girls, as they have jumped up one division in ORSA play.

Playing their Tri-County semi-final series at the same time, Brookville made the finals by ousting Ponsonby in straight games.

Linda Dennis homered and Sue Thomson was sharp on the mound in the first game. The game was close for only two innings, then Brookville started hitting and left Ponsonby behind.

**End series**  
Although tired after an ORSA game with Blackheath the night before, Brookville won the second game of the series 15-13. Ponsonby took advantage of their opponents' fatigue and played a fine game.

Sue Thomson hurled the whole game, completing 16 straight innings in two nights.

Brookville started their second round ORSA playoff series in Neweridil (near Hagersville) last night (Tuesday). Second game will be played at the Brookville diamond tomorrow (Thursday) night.

## Sabres don't want Church as convenor

Acton Sabres' junior hockey executive has informed the O.H.A. by letter the team will not compete in the same group this year, if Bill Church of Orangeville remains as convenor. Sabres were involved in several hassles with Church last season.

Parks and recreation committee member Lou Bonnette, who is also on the Sabre executive revealed contents of the letter during a discussion about ice time at Monday night's meeting. Bonnette said there is a possibility Sabres might play in a new group, if the O.H.A. ignores their letter.

Chairlady Diane Spielvogel said the committee has received a letter from the Sabres asking for ice time for the 1973-74 season.

"They said they heard the Tauners (intermediate) might start again and they were a little afraid they might be losing their Friday night spot," she reported. "I told Bill (Sabre president Bill Morrison) I didn't think we'd take their established spot away from them."
