Bear's bark keeps owner posted on radio calls

Roy Wood of Campbellville has two tow trucks on call to the OPP. If it should happen he's out of his truck when his wife Ruth calls on the citizens band radio to tell him about a call, his dog Bear makes sure Roy doesn't miss the message.

HELPING THE BOSS
 Roy Woods of
 Campbellville

Bear is the perfect secretary—she barks whenever Mrs. Wood calls her husband. She began one night two years ago when Mr. Wood was helping at a fire caused by hydro lines knocked down in a storm. Mrs. Wood came on the radio with some urgent messages, asking "Where is he? Get him, Bear." And Bear has been barking ever since.

Abandoned pup
 The Woods found her in a bag in a ditch 10 winters ago. She had chewed her head out of the bag, which had narrowly missed being thrown into a nearby creek. She was cold and thin, but after eating half of Mr. Wood's and his son Bob's dinner, she looked a lot better. Since several of their previous dogs had been run over, Mr. Wood decided to keep her in the truck with him.

Now Bear has staked the truck out as her own territory. Nobody gets in unless the boss says so, and that includes grandchildren. Whenever she sees Mr. Wood come out of the house in his work clothes she jumps into one of the two trucks to go along. Mr. Wood estimates she's travelled 100,000 miles.

Holsteins top producers

Once again the winner of the highest record of performance for dairy cattle in Halton County was Fred Nurse and Son of Georgetown. Their 31 Holsteins in 1972 produced an average of 17,156 lbs. of milk, 637 of fat for a breed class average of 155 and 156. This is the sixth time the Nurse herd has won this honor.

4-H club takes top placings

By Mac Armstrong
 Halton 4-H club members took top placings at the Guelph Inter-County Livestock Judging competition, competing against Peel, Wellington, North Niagara and Dufferin counties. Halton County won the senior team, placed third in the intermediate team, and second in the Junior team.

Of the top 10 members at the judging competition, five were from Halton County. Cathy Lasby, Rockwood 2, was the overall top judge of the day. Cecil Patterson fourth, Ken McNabb seventh, Keith McKinnon and Carol Somerville were tied for eighth.

Limousin sale is first

The first Limousin cattle sale ever to be held in Ontario will be held at Guelph on August 25 with more than 60 of the breed on the block. The sale will be held in conjunction with a field day and barbeque at the Bridlebrook Farms, Eden Mills.

First imported from the Limoges area of France in 1968, Limousin cattle have found wide acceptance as they place high in cattle competitions. The top steer at last year's Royal Winter Fair was a Limousin cross bred as was the top steer at the Calgary stampede.

Breeders of the French cattle claim that there is a 10 per cent saving with Limousin in a feed lot from 700 pounds to market weight. Recent tests in Europe have also shown the breed scored highest in ease of calving, ensuring breeders healthy calves.
