

Annual Fun Fair roaring success

By Mrs. R. Wright
The annual Fun Fair sponsored by Eden Mills Community Club in the park Saturday turned out to be a roaring success. The evening started with a ball game between Eden Mills and Shuttle Service ending 4-2 for Shuttle Service. Games for young and old got underway at eight o'clock—fish ponds, darts, ring toss plus the

main attraction, bingo. The bake table laden with pies, cakes, cookies and candy apples kept the ladies busy selling the home-made goodies, and the chefs on the hamburger stand didn't have time for a smoke. Prizes won were gate draw, a deep fryer, Beryl Wright; hand-made quilt, Fran Douglas, Ingersoll and hand-made rug, B. Zellar, Guelph.

A hearty thank you to all those who helped make this a success. Home again Mr. and Mrs. George Weale have returned home after a holiday at Wymbolwood Beach, Georgian Bay. Mr. and Mrs. George Nash have returned home to Godalming, Surrey, England after six weeks stay with Mr. and Mrs. John Turner.

Miss Erin Fair at CNE moms, gals ball match

By Doris Fines
Ed Archibald had a very successful auction sale on Wednesday. There was a good crowd despite perfect harvest weather, and bidding was good. The Acton Fair Board had a booth, and their sandwiches, pies and coffee were in great demand. The Archibalds have sold their farm, and are moving this week to Guelph. They will be missed in the community. Their new address is 36 Robertson Drive.

contendants and their parents, which they enjoyed immensely, before spending a leisurely afternoon on the grounds. Sympathy is extended to Mr. and Mrs. Howard Black and family, in the sudden passing of their daughter Wendy. Mr. and Mrs. Jesse Bryson of King City, visited on Sunday with Mrs. Thomas Fines and Doris. Miss Natalie Dudnik has accepted a position on the permanent staff of the Bell Telephone, in Toronto. The telephone is now installed in the booth at the corner, and is attracting its share of customers, but the lighting is not the best, and after dark, flashlights are seen to be in use.

Mrs. Mike Dudnik was first baseman. Mrs. Lawrence Johnston, 2nd base, and Mrs. Cameron Fraser 3rd base. Bruce Smith and Tom Dearing shared umpire duties, with a few cheers from the sidelines by the fathers. As the mothers put in such a good effort they decided to play again Monday evening. Home run In the girls National League, Erin Cincinnati defeated Osprige St. Louis 21 to 4 at Osprige. In Erin, the game was an eight all tie between Osprige New York and Erin Montreal. Laura Rayner pitched a very good game for New York, and a long awaited home run from Janet Vander Heide came, when she brought the two other players home. These are the last scheduled games between Erin and Osprige for the season. There will be a round robin held between St. Louis and New York, to decide Osprige championship. The game between Erin and Osprige will be the last of August. The girls will need transportation to the game. The St. Louis and New York girls will be having a corn roast on August 30.

Back again Dave Robertson was back in his old familiar place on Wednesday, selling groceries. He was giving a helping hand to Sandy Dudnik, so the rest of the family could take the day off. This they appreciated very much. Lydia Dudnik (Miss Erin Fair) was at Toronto Exhibition for three days, as a guest of the CNE, competing in the Queen of the Fairs contest. Mr. and Mrs. D. M. Dudnik were also guests on Wednesday at a luncheon for the

Board of Health briefs

At the August meeting of the Halton County Board of Health, the board: —Appointed Acton Deputy Reeve Peter Marks as acting chairman in the absence of chairman David Coons. —Heard chief health inspector Jim Powell report on an investigation of a complaint of a sewage disposal system polluting a creek at the corner of Appleby Line and Derry Rd. The inspector reported that no evidence of pollution from a sewage system was found and the coliform and faecal results were what might be expected in an average count for this time of year. —Received a request for additional space for the Burlington Health Unit and the dental division of the health unit there. —Approved a request for floor covering and painting to be done at the Milton office of the Halton County Health Unit. Mrs. Clarence Denny and family. The occasion was the wedding on Saturday, August 11 of Raymond Denny and Mary Lou Brown in Limehouse Presbyterian Church.

—Approved a request to have one health unit nurse and one supervisor to attend a conference at Delawanna Inn Sept. 23 to 28. —Deferred a decision on a request to send the Director of Nursing and the Medical Officer of Health to San Francisco to attend the American Public Health Association Convention. —Granted female staff at the Halton County Health Unit a half day off to take part in a ladies' golf day. The measure of a driver, says the Ontario Safety League, is not how well he can drive, but how well he does drive.

Ebenezer Church picnic Sunday

by Mrs. Ron McLean
Next Sunday, Aug. 26, is the date for the Sunday School and congregational picnic. All former friends of Ebenezer and newcomers interested in getting acquainted, are invited to attend the regular church service at 11.30. Afterwards, everyone is invited to John Kitehing's farm for dinner; bring salads, etc. and folding chairs. Beverages and ice-cream will be supplied. Lord's prayer Mr. Finley's continuation of talks on the Lord's prayer dealt with leading us not into temptation. He used the Aramaic dialect. How do you know how

strong you are unless you are tempted? Scholars differentiate between leading unto temptation and leading into temptation. God doesn't tempt you beyond your strength to resist. We don't talk about the devil, like our grandparents did. Jesus warned how hard it is for a rich man, a man of culture, meticulously careful about business, to give his mind to spiritual things. His thought is "Whatever happens, I've got to protect my money." That is just what Satan wants him to say. Our failures are when we are separated from God. Anton Durer's engraving on wood, of the knight on a charger riding through a wood full of horror shows that he must keep his eyes straight ahead, as death is on one side and the devil on the other. God will not suffer your foot to be moved, if you keep your mind on the goal.

Place levy on hospital

Esqueing Council will receive \$3,350 in lieu of taxes following passage of a by-law Monday night which allows for an annual amount to be levied on a public hospital within the township of Esqueing. The \$3,350 figure was arrived at by multiplying \$50 by 67, the number of beds in the Georgetown and District Memorial Hospital. Reeve Tom Hill explained the hospital had never paid taxes to the township before and the levy was to compensate for this.
