## Rams' coup suppressed Kings wear boxla crown

Kingston Kings are sitting on the throne of Ontario Junior "C" lacrosse supremacy, after suppressing an attempted coup by the upstart Acton Rams.

Kings, who played in a Tier 1 league during the regular season earned the right to wear the Tier 2 crown with consecutive 11-8, 13-5 and 8-7 victories over the Rams, after the teams had split the first two games of the best of seven series.

Rams paved the steps to the Tier 2 throne with obstacles right up until the final buzzer of the fifth and final game at the community centre Monday night. Kingston grabbed a 4-1 first period lead, but watched the margin slowly diminish in the second and third periods. The score remained 8-7 for the final four minutes of the game, as Kingston goalie Bill Jacobs rose to the occasion to stop dangerous Acton shots.

Goalies great  
Jacobs and Ram goalie Gary Turkosz were by far the stars of the series finale which featured outstanding saves at both ends of the rink. Turkosz outguessed Kingston's Norm Williamson on a penalty shot, after Ian Campbell had tackled the Kings' forward on a breakaway.

Seven different players shared in the Kingston scoring in the final game. Hugh McDermid, the series goal scoring champ (12) netted two goals. Sandy McDermid, Andy Wilson, Fern DeSousa, Norm Williamson, David Austin and Brian Alexander scored a goal apiece. George Arlem and Dave Hill hit twice for the Rams. Wayne Young, Craig Weldon and Kevin Marcoux were solo shooters.

The Ram power play was inept and only Turkosz' fine effort in goal kept the score down in Kingston's 13-5 win in their home rink Sunday night.

Dave Hill and Bruce Cooksley netted two goals apiece and Craig Weldon lit the lamp once in that game for Acton. Gary Wilson paced the Kingston attack with four goals.

Turkoz was also the best player on the floor in Rams' 11-8 loss here last Wednesday night.

Craig Weldon and Jim Burnham go overage.

Recognizing Turkosz' great play, Kingston coach Bob Joseph also paid tribute to his goalie Bill Jacobs, the only player Kings will lose to overage.

"I'm honestly surprised we won this thing in five games," he said. "Our goaltending hasn't been this good all year and a lot of credit has to go to Billy. It's his last year and he really wanted this trophy badly."

OLA Junior "C" convener Enrico Caruso of Georgetown presented the James Naish

Trophy to the Kings at the end of the game, then it was off to showers where practically everyone connected with the team was doused in celebration.

Extremely hot weather was cited by coach Dwyer as the probable reason for the relatively small crowds at the three Acton home games. On some nights it was so humid fans had to go outside between periods for fresh air. Largest crowd of the series was 400 compared to 1971 when crowds of 800-1,000 jammed the community centre for the Acton-Brockville championship series.

## Mixed bowling

By Ken Hulford  
Aug. 32: Well, here it is my friendlies, another bowling season has rolled around and having the distinction of toeing the foul lines for the first time this season is the Acton Mixed league. After a few brief words of welcome from president Arlie White, the league got underway. Hot Shots were as hot as the weather and won all games from the Hovers due mainly to a pace-setting 737 tricount from Wayne Sheppard who started off with a 340 first game. Singles of 207 from George Hurdle and a 211 from George Fitzer did not hurt the Hot Shots' cause. Top triples in the Hovers' efforts were Elston Adams 557 (217), Gerald Patey 530 (198) and Peg Hurdle 445 smarties were too smart for the Watchful Ones. They made every game a winning one with "Shorts" Lawry 791 (270), Harry Middleton 513 (189) and Nancy Abrams 468 (159) pacing the Smarties' win Top trio for the Watchful Ones were Jerry Buchanan 539 (212), Bill Boyd 473 (129) and Don Marro 432 (146). Flyers were a two game winner from the Bombers, but the Bombers bombed a big win in the middle chukker and grabbed the singleton for totals. Leading up the Flyers' trundling were Clarence Harding 550 (200), Laura Treble 531 (189) and Hank Earle 529 (196). Making up the most for Bombers were Anna Marie Moore 550 (224), Guy Parent 537 (193) and Ann Folkor 515 (175).

League standing: Hot Shots 7, Smarties 7, Flyers 4, Bombers 3, Hovers 0, Watchful 0.

Headpin Hitters  
Must say the Acton Mixed league are taking no chances of not having a banquet date. It's already booked for the Legion, May 10, 1974 by the time our next column goes to press some of the other leagues will have been under way. We congratulate our Youth Bowling Council senior bowler, Karen Cole, on being awarded a YBC scholarship for the past season. That winds it up for now my friendlies, so adios amigos, and goodnite Concord City.
