Eliminate Exeter

Campbellville Ontario champs

Campbellville won the Intermediate "B" Championship of Ontario Sunday afternoon defeating Exeter 3-0 in Exeter. This is Campbellville's 16th Ontario championship since 1883, their first since 1967 and cause for celebration by team members.

Garnet Mitchell went the route for Campbellville as he shut Exeter out on two one in the third and another in the fourth. He struck out five and walked three as his teammates made two errors behind him.

Pfaff also went the distance for Exeter allowing just two earned runs off six hits—scattered over six different innings. He struck out three and walked one. His team mates committed three errors.

Brookville champs again

Brookville girls 13 and under won another Tri-County trophy by eliminating Hillsburgh three games to zip in a series where all games were close. Brookville had to work hard to come out on top.

The girls were not as lucky in the Ontario Rural Softball Association, being defeated twice by Claremont, last year's champions. The girls had a fine year. Coaches and parents are proud of them.

Campbellville won the game in the first inning with Clement walking and being driven home by Bekar's triple over the centre-fielder.

Sacrifice Campbellville made it 2-0 in the third when Rick Mitchell singled, made second on a wild pitch and went to third on an infield out. He scored

off Clement's sacrifice fly. Campbellville completed the game's scoring in the fourth when the Exeter left fielder dropped Ray Evans' fly for a two base error. Steve Smith singled Evans home.

Campbellville left six batters stranded in scoring position. Exeter placed a man on base in the third. With men on first and second and two out, Rick Mitchell picked the runner off first to end the threat.

Exeter had stranded men on first and second in the fourth but a strike-out and a fly to left killed that attempt.

ted rally. They threatened in the eighth with men on first and third and two out, the only Exeter runner to reach third all game. An infield out ended the inning.

Fairbanks and Pfaff picked up Exeter's two singles. Loris Faggion hit two singles for Campbellville. Wade Bekar tripled, Rick Dennis doubled and Rick Mitchell and Steve Smith singled.

Defensive game The Campbellville team

turned in an excellent defensive game. Centre fielder Bill Dennis turned in a great save in the fifth with a long running catch to end the inning. Elmer Dredge managed the recently rebuilt team. Campbellville went undefeated through the playoffs.

Height future The average age of the nine men playing the Sunday game was 21.1 years. Four promising young pitchers indicate a bright future for the club.

Bradford beat juniors in championship

Rockwood Juniors battled Bradford Queens' brilliant young chucker Nick Pahor right down to the final out, but lost 3-1 in the deciding game of the ORSA Junior championship series in Bradford last Wednesday night. Pahor limited Rockwood to

just three hits, a double by Randy Peart and singles by Phil Shrive and Don Myers struck out 15 in posting his second win of the series. He pitched all 27 innings in the three games and fanned in the second game, which the Queens won 1-0. Rockwood

won the first game of the series 6-3.

Two pitch John Thatcher started pitching for Rockwood in the final game and Don Myers came on in relief. They combined to strike out nine batters.

Before meeting Bradford in the finals, Rockwood eliminated Ayr, Falden's Corners and New Dundee in ORSA play.

"Bradford had a fine team, but I'm very proud of our boys for coming this far."

coach Mike Kelly told the Free Press. "Our team improved greatly this year, especially in the pitching department."

Coach Kelly, a member of the ORSA grand champion Rockwood Red Sox Intermediate also paid tribute to the Rockwood fans for their support and to George and Millie Smith of the Rockwood Ball Association for helping with the team.

Ice time booked at Acton arena

Ice time at Acton arena this year is at a premium, manager Harold Townsley told members of Acton recreation committee at a meeting Thursday.

An ice time meeting went off very well, Townsley said, but there were still two hours available Saturday night, which he hoped soon to fill. He said minor hockey wanted two more hours which he hoped to be able to fill and that would book the ice palace up pretty well for most of the season. Georgetown minor

hockey teams have also booked three hours of ice time, he said.

Heaters for the arena were due to arrive next week to be installed and it was expected work would start on a new cement floor at the rear sometime during the week.
