

# Complete Over Haul, club determines

Luncheons, dessert parties, bazaars, and teas, and the ladies of Eden Mills Community centre are prepared to get behind their Overhaul Project to get it completed as soon as possible.

A discussion concerning the completion of the renovations was held on Monday night and members displayed their concern that the project which started some months ago must be completed to

make the hall useable again. Functions cancelled.

June Barnes, Akela of the 1st Eden Mills Cub Pack, reported that the pack meetings have been cancelled until the hall will be available. Eden Mills Senior Citizens group have also bowed out temporarily, deciding to postpone their social get-togethers until they too can meet at the village hall.

Further discussion ensued

and it was decided that a carpenter should be hired to do sufficient work to make the building safe and useable. Two estimates were discussed on installation of an iron ornamental railing in the front foyer and entrance steps of the centre. A motion was unanimously carried to accept estimates from the Wellington Welderies of Guelph with installation to be completed within three weeks.

**Work party**

Estimates on chimney costs and a clean-up bee were also part of the club business and it was planned that a work party set for Saturday, October 6 at 8:30 a.m. would be held with all residents invited to give as many or a few hours as possible to the project.

Plans for the Community Centre's annual fall dance were finalized with the date set for November 3 at the Rod and Gun Club. Regular luncheons to be held on the first Wednesday of each month have also been planned for hours of 11:45 a.m. to 1:15 p.m. Members look at the luncheons as a regular source of income for the club.

Monday's meeting was chaired by 2nd vice-president David Masson in the absence of president Travis Clifford.

# Osprige Friday was unlucky day

Friday was an unlucky day, even though it wasn't the thirteenth. Sometime through the night, a mare owned by Edward Leuschner, escaped from her enclosure onto 24 highway in the village, and was struck by a car. She was killed, leaving her colt without a mother.

That afternoon, a car failed to stop at the corner, resulting in a collision. The driver of the one vehicle was taken to hospital, though not believed to be seriously injured.

Miss Nancy Grundy of Guelph spent the weekend with Mr. and Mrs. George Allan Grundy and family, and also visited with Mr. and Mrs. McKittrick and family, and Mr. and Mrs. Russell Grundy and family.

**Ladies' Aid**

The members of Osprige Ladies' Aid discovered they had a lot to learn about the history of their church. A quiz program was conducted by Mrs. Don Herbison, at their September meeting, on the church history.

Mrs. George Lang was the hostess, and the meeting opened with the group singing songs. Ten ladies were present, and the roll call was answered by holiday events.

The devotional by Mrs. Herbison was on the humble cry, 'I've got to Talk to somebody. God. Discussion was on Mission work.

The meeting was adjourned with prayer in unison, and lunch was served by the hostess.

**Communion**

The congregation of Burns Presbyterian Church of Erin joined with Knox Church members at Osprige, for communion service, Sunday morning.

Mrs. Enoch Wood has returned to Toronto to spend the next three months with her daughter and son-in-law, Mr. and Mrs. Arthur Tranah. She will be back after the new year.
